

Waiver of 165 Credit Surcharge

A surcharge of 100% of the regular resident tuition is charged to all in-state undergraduate degree-seeking students who have accumulated 165 credits or more. When approved by the dean of the student's major, this form will waive the surcharge. This waiver will remain in effect until the student completes their first degree.

1. Only credits earned at UW-Stevens Point and credits transferred from a UW System or a Wisconsin Technical College System institution are counted toward the 165 credits.
2. Advanced Placement (AP), credit by exam, retroactive credit, remedial credit and other non-traditional credits are not counted toward the 165 credits.
3. The surcharge will be applied to the student's bill in the term following the one in which they reached the 165 credit limit.
