

Change of Gender Form

A student's gender of record reflects the gender the student identified to the university when the student applied for admission to UWSP. Gender is not included as "directory information" and will not be disclosed. The University will accept requests to change gender in accesSPoint according to the steps below.

Change my gender of record to: Male Female

In addition to this form, please submit one of the following acceptable documents. The gender change requested on this form must match the proof of gender on your documentation.

- Documentation from a qualified health care provider
- A birth certificate or court order
- A valid driver's license or passport

Current name on file in accesSPoint

Last Name

First Name

Middle Name
