Welcome to the University of Wisconsin-Stevens Point residence hall guide.

If you are a first-year student, a new transfer student, or a returning student to on-campus living, the UWSP Residence Hall Handbook will serve as a guiding tool and resource to Housing and Residence Life. In this handbook you will find general information, along with up-to-date content about Policies and Procedures, Amenities, Facilities and Safety, and the Housing Contract. This guide is full of useful and important information regarding living on campus and our residence halls. If you cannot find the information you are looking for in the handbook and need a specific question answered, please be sure to contact the Housing Office at (715)346-3511 or via email at housing@uwsp.edu.

Here at UW-Stevens Point, your university housing experience is an integral part of your total educational experience. The university recognizes that learning continues outside of the classroom, and a great deal of planning goes into making each floor in every hall a positive environment in which to live and learn. We recognize that our residence halls are more than just a place where students sleep; it’s where you will make lifelong friends, create memories, and grow as an individual.

Welcome Home!

Brian Faust, Director of Housing and Residence Life

FOSTERING an inclusive environment that provides a safe, accessible and respectful community

CARING for our financial and environmental resources in a sustainable manner

EVER STRIVING to provide exceptional service to our students

CULTIVATING individuals who are responsible global citizens

APPLYING innovative thinking and actions to ensure continuous improvement in our halls and programs

ENCOURAGING the holistic development of individuals in their personal and professional endeavors

Communication and Information
Information regarding residence hall policies, closing, dining services updates and various other items are communicated to you through a mixture of means including: written materials, direct emails, postings on the Housing and Residence Life website http://www.uwsp.edu/housing, and the Student Message of the Day (SMOD). It is your responsibility to thoroughly read these messages.
Suites@201

Combining apartment-style living with the convenience of on-campus living, the Suites@201 offer an alternative living setting for individuals who graduated from high school two or more years prior to the start of the fall semester. Each suite has a full kitchen, living room, restroom facilities and four private bedrooms. Participation in the meal plan is optional. A full academic year contract is required.

*If availability remains, the Suites@201 may be offered to those individuals who graduated from high school only one year ago. Those individuals would be required to have a residential meal plan.

Hyer Hall

Residents of Hyer Hall must be 21 years of age by the start of the semester. Rooms in Hyer Hall are single occupancy; participation in the meal plan is optional.

Traditional Residence Halls

The Residence Halls are Organized into 3 “Quads”

North DeBot Quad houses Burroughs, Knutzen, Thomson, and Watson Halls.
South DeBot Quad houses Baldwin, Hansen, Neale, and Steiner Halls.
Allen Quad houses May Roach, Pray-Sims, Smith, and Hyer Halls, as well as the Suites@201.

Every hall has community kitchens, a computer lab, laundry facilities, study lounges and group meeting rooms, secured mailboxes and recycling facilities. You will share a room with another student. Each room has a bed (including twin extra-long mattress), dresser, desk, and closet for each resident.

For more information about each hall, https://www.uwsp.edu/residential-living/Pages/hallsRooms/rooms.aspx
LIVING OPTIONS

Alcohol-Free Floors
Alcohol-free is defined as an area where neither residents nor their guests (regardless of age) are allowed to possess or consume alcohol. If you are assigned to a room on an alcohol-free floor, you will be required to sign an alcohol-free floor agreement.

All Gender Restrooms
All-gender restrooms are located on the second floor in several halls and in the basements of all residence halls. These restrooms are available for use by all individuals. This restroom provides a facility option for those who may not identify with their assigned gender. The other restroom on the second floor will be labeled as the binary, male or female. Students who do not prefer to use this option will have the opportunity to travel up or down a floor to use a restroom facility with which they feel comfortable.

Quiet Floors
All residence halls observe a basic set of quiet hours that are enforced Sunday-Thursday, 10 p.m. to 9 a.m., and Friday-Saturday, midnight to 9 a.m. Quiet communities have slightly longer quiet hours: Sunday-Thursday, 9 p.m. to 10 a.m., and Friday-Saturday, 11 p.m. to 10 a.m. If you are assigned to a room on a quiet floor, you will be required to sign a quiet floor agreement.

YOUR COMMUNITY

Resident Assistant (RA)
Your RA is a full-time student whose part-time job is to assist you. Your RA has many diverse responsibilities, all of which are related to the job of helping you. Having lived on-campus for at least a full year, your RA knows what it takes to make the most of hall living.

You can expect your RA to:
• be available for general consultation most evenings
• be able to direct you to the appropriate university office for answers to your questions
• work at the hall desk several hours each week
• advise you on matters of state and university regulations
• ask for your help in making life on the floor enjoyable and productive
• be available on a personal basis for “just talking” about how you are doing
• challenge you with programs
• advise your floor about organizing social events
• maintain confidentiality with you
• confront inappropriate behavior

Residence Hall Association (RHA)
RHA provides opportunities to develop leadership skills through elected and appointed positions, as well as through attendance at state, regional and national conferences. RHA is active in developing campus-wide events and entertainment. This group also debates proposals and recommends policies and programs directly affecting the students who live in the halls.

National Residence Hall Honorary (NRHH)
NRHH is an organization that provides recognition for those individuals living in the residence halls who have demonstrated outstanding service to the on-campus community. The NRHH organization also exists to provide ways that student leaders can continue to develop other leaders on campus by giving support, training, and modeling of positive behaviors. Membership in local chapters is limited to one percent of the school’s residential population of 30 members, whichever is larger.

Leadership Team (LT)
Each hall has a LT (similar to student council), which is a great opportunity for anyone to get involved. Your LT will plan social events for the hall. There are positions ranging from chairperson to green advocate, and meetings are held weekly. If you are looking to get involved contact your RA.

Residence Hall Director (RHD)
Your RHD is a full-time professional with an advanced degree and lives in your residence hall. They act as the university’s primary representative in the hall. On an individual level, the RHD is available to consult with you in several areas such as personal relationships, academic progress and success, vocational concerns, or general information about the university.

More information about living options at UWSP can be found on our website.

https://www.uwsp.edu/resliving/rha/Pages/default.aspx

https://www.uwsp.edu/resliving/RHD/Pages/default.aspx
On-Campus Residency Requirement
The UW Board of Regents requires that all freshmen and sophomores live in campus residence halls. At UW-Stevens Point, first-year and sophomore students are defined as individuals having graduated from high school two or fewer years ago. For details, see www.uwsp.edu/resliving/pages/faq/spaces/living.aspx or online.

If you have an extenuating circumstance that you would like to be considered to be released from the on-campus residency requirement (as stipulated by the UW Board of Regents) email your request to Housing and Residence Life (housing@uwsp.edu) and your request will be reviewed.

Housing Contract & Application
The UW-Stevens Point main campus housing and dining contract and application are completed via the UWSP Housing Portal online. Instructions to access the UWSP Housing Portal and complete the application process can be found at https://www.uwsp.edu/residential-living/Pages/default.aspx

Your signed contract for housing and dining services is a legally binding agreement between you (and your guarantor) and UW-Stevens Point. The university agrees to provide room and board (dining) for you, and you are obligated to pay for such services for the full academic year unless the contract is altered or canceled in writing by the university. You are responsible for full payment of all fees associated with your room within 24 hours. Exceptions to the 24-hour move-out time frame are granted through your Residence Hall Director.

Assignments The university does not discriminate on the basis of race, color, national origin, religion, sex, age, sexual orientation, gender identity or disability. While we attempt to honor assignment preferences, we are not always able to do so. Additionally, the university reserves the right to change room or hall assignments, to assign roommates, to consolidate vacancies by requiring residents to move from half-vacant rooms or to charge residents for single occupancy, or to make other necessary changes in room accommodations.

Fees all current rates can be found online. Room and board rates apply only to the times when the university is in session, not for other periods of time. Rates are subject to change, as stated in the contract. https://www.uwsp.edu/residential-living/Pages/housing-costs.aspx

You are responsible for full payment of all fees associated with your room and board contract. The Board of Regents confirms rates in July preceding the academic year. If you wish to arrange to pay under the university’s partial payment plan, please contact the Student Financial Office at 715-346-2118.

All students housed in “traditional halls” (all halls other than the Suites#201) are billed for double rooms unless they have contracted with Housing for a single room. Single room charges are assessed as of the date that you no longer have a roommate.

Fee Adjustments After Withdrawal Students will be issued a refund for their room based on the “Termination” section of the housing contract.

Withdrawing If you withdraw from the university after taking occupancy of your room, you will be responsible for payment up until the time you properly check out of your room based on the below refund schedule:
1. Proper check out completed during the first and second weeks of the semester: prorated nightly housing and dining fees through check out date.
2. Proper check out completed during third and fourth week of the semester: student pays 50% of housing and dining fees for the semester.
3. Proper check out completed during the fifth week or later of the semester: student pays 100% of the housing and dining fees for the semester.

To initiate the check-out process from your residence hall, please visit the UWSP Housing Portal and complete a Cancellation Request Application for the current semester. Our office will verify your withdrawal and provide you with an email with further check out instructions (see also “Check-Out Procedures in this section of the handbook”).

If you move out of the residence hall but do not initiate the university’s withdrawal procedure, you will continue to be billed room and board charges for the entire semester.

If you have questions about withdrawing from the university, please contact the Office of the Registrar, located in the Student Services Center at 715-346-4301. Please direct questions about checking out of the residence halls to Housing and Residence Life at 715-346-4646 or email housing@uwsp.edu.

Appealing Charges Notices are sent for end of the fall semester and end of the year charges to the student’s UWSP email account. If the student completed a check-out with a staff member, you will be provided the instructions for appealing your charges. Appeals are due 21 days from the time of the email notice being sent by Housing.
In Room Furniture All room furniture must remain in the room at all times, even if you purchase out the room as a single. Mattresses in all halls are twin “extra-long” (36” x 80”). In the traditional style halls, lofts are not provided but can be rented through College Products at the following link: https://www.collegeproducts.com/. In the Suites halls, beds are self-lofting (adjustable height) and do not need to be rented. If you have questions or problems with your furniture, please contact Housing and Residence Life at 715-346-3511.

Room Condition You are responsible for restoring your room to the condition it was upon check-in when you check out of your room. When you move into your residential space, you will have an opportunity to complete a room condition report, which will be an accurate and complete record of the contents and condition of the assigned residential space. This inventory will serve as the basis for any check-out charges you may be assessed. Charges are subject to change after checkout if damages are beyond the typical repair charge. A failure on your part to complete check-in or check-out procedures will not prevent assessment of charges.

You agree to follow the proper check-out procedure when vacating the premises. You are responsible for maintaining a safe and sanitary environment in your room. Your participation in regular waste disposal, cleaning of surfaces, and orderly storage is essential to maintaining the living quality for you and other residents of the hall. UWSP has provided a guidance document to assist on maintaining acceptable air quality levels in your rooms. More information located on each residence hall door. Conditions within the resident’s control that result in fungal growth may result in charges to the student’s account (i.e. humidifiers, wet towels over air registers). Concerns for any fungal growth in a student’s room should be noted through a UWSP Work Order to be assessed by custodial staff: http://workrequest.uwsp.edu/. All university-provided furniture must remain in rooms, suites, or common areas to which it has been allocated. Housing will not provide storage for furniture and any furniture that is missing upon checkout will be charged for accordingly.

Residents are expected to checkout of their assigned space when they are moving out of their room, whether they are leaving the university, it’s the end of the academic year, or if they have an approved room change.

Room Entry University officials reserve the right to enter and inspect university residential spaces at any time. Inspections are conducted to protect and maintain the property of the university, ensure the health and safety of all university students, or whenever necessary, to aid in the basic responsibility of the university. If you have questions or problems with your furniture, please contact Housing and Residence Life at 715-346-3511.

Housing Accommodations

Air Conditioners Air conditioners are not permitted in residential rooms except when a medical request is on file in Housing and Residence Life. In these situations, you must submit (annually) a request from your physician indicating that an air conditioner is medically necessary (and why) to the Housing Office. This request must be received by August 1 for the fall semester. Only air conditioners provided by and installed by Housing staff are allowed.

ADA/Medical Single Rooms Some students seek a single occupancy room because they have a medical condition or condition covered under the Americans with Disabilities Act that would be improved by the student having a single room. To make such a request, visit https://www.uwsp.edu/residential-living/Pages/Medical-and-Disability.aspx to download and print the Housing Accommodations Request form. The form outlines the process and information needed from your physician. Your Housing Accommodations Request form and care provider’s letter need to be submitted to Housing and Residence Life (per the instructions on the form) and will then be reviewed by the Housing and Residence Life Accommodations Committee, which is comprised of staff from Student Health Service, the Counseling Center, and the Disability & Assistive Technology Center (DATC).

Service Animals Service animals are dogs or mini horses trained to perform tasks or duties for a person with a disability. Students with service animals are encouraged to register with DATC to facilitate access to campus facilities (including housing).

Emotional Support Animals (ESAs) ESAs are allowed as a housing accommodation when the student can document a therapeutic benefit to residing with an animal. Emotional Support Animals (ESAs) must be approved through the Disability & Assistive Technology Center. Students seeking approval for ESAs should contact DATC and consult with a staff member about the review process. Certificates or registrations from online registries or similar verification services are typically not considered sufficient documentation of therapeutic benefit. For more information, please contact DATC at datct@uwsp.edu.
to freeze and may result in residents being charged for the damages or repair.

Keep windows shut during freezing temperatures. Leaving the window open can cause "pipes banging" are typical noises to hear. If this noise is constant or excessive, damage to the pipes to freeze and may result in residents being charged for the damages or repair.

Room Changes  Housing's room change process is available via the residents UWSP Housing Portal. This is a request-based process and room change accommodations will be made based on availability within the halls. The room change process opens a couple weeks into the semester and will close a couple weeks before the semester ends. Residents will receive an email through their UWSP email regarding exact dates and times.

Remember! Residents may not “just switch rooms.” It is important that no move occurs before you have completed the appropriate paperwork associated with a room change. Students who make unauthorized room changes will be required to return to their original assigned room and may face disciplinary action. The university reserves the right to relocate students in order to optimize learning environments.

Half Vacant Rooms If you are assigned to a half-vacant double room or your roommate leaves during the school year, you should plan on being assigned a new roommate at any time. You may also opt to complete a room change to room with a friend, or a friend can submit a room change request to live with you.

While residing in a half vacant room, your belongings should be confined to one side of the room. Residents who attempt to discourage someone from moving in with them will be subject to disciplinary action that could include additional charges for lost revenue. If you are without a roommate at the end of the fall semester, you should plan to have a roommate assigned to you during the semester break; your belongings must be confined to one side or you will be charged for a single-occupancy assignment, as well as possible disciplinary action.

Notification of roommate assignments is made whenever possible, but time constraints sometimes prevent the Housing and Residence Life Office from contacting you in advance.

Single Rooms Single occupancy rooms (rooms for which a resident pays an additional fee to maintain the room solely for themselves) are provided on a space-available basis. Space availability is reviewed every semester. As part of the housing application, students who wish to have a single room should select “I prefer to live in a single room if available” as part of the housing preferences section. Individuals who do not receive a single room during our assignment process can request a single room during the open room change period (See: Room Changes). Singles will be awarded on a first come, first served basis.

Individuals in half-vacant rooms (people assigned to a double room but do not have a roommate assigned at this time) can request to buy out their room as a single during the room change process. To do so, complete a Room Change Request and select the option to buy out your current room.

Consolidation During the third or fourth week of the semester, residents without a roommate or residents who have not been assigned room as a single may be required to move together in order to offer single rooms to interested students. Residents affected are contacted by their Residence Hall Director and are directly involved in the decision-making process. During this time period, single rooms are allocated to students who requested singles during the consolidation process developed in consultation with the Residence Hall Association. This priority system groups students by whether they were 21 years of age on the first day of the semester and then ranks them by classification (second semester senior, graduate student, etc.).

Check-Out Procedures There are two ways to officially checkout of your room, either an in-person check out with a student staff member or through the Express Checkout process.

To check out the following “Check Out To Do List” must be complete:
- All personal items must be removed from the room (and suite if applicable)
- Bedroom (and suite common spaces if applicable) must be cleaned.
- Wipe down all furniture, surfaces, and windows tracks.
- Close and lock window(s); open drapes
- Take out all garbage and recycling, wash garbage and recycling bins.
- Turn of lights and lock bedroom door.
- Remove your mail from mailboxes and pick up any packages.
- Return keys(s) and Saflok to a staff member or in an express checkout envelope.

When a student is leaving their room space, but their roommate is remaining, they should complete the above list for all items on their side of the room.

If a student chooses to do an express checkout, they agree to the following:
- Failure to complete the “Check Out To Do List” will result in charges for damages, missing items, and/or cleaning that may apply.
- The student is responsible for any discrepancies on the Room Condition Report and may be billed for damages, missing items, cleaning charges, etc.
- A student that check-outs improperly forfeits their right to appeal any charges.
- Any items left behind will be processed as abandoned property and may incur additional charges and will be discarded appropriately.
- Housing and Residence Life will not store any personal property that was not returned by the student. Property is to be removed from the student’s assigned space after the student’s final semester, which will be the end of the fall semester. The student must be present during the move out assessment.
- Failure to return keys(s) or a Saflok assigned to the student will result in an additional charge.
- By using this process, the student forfeits their right to appeal any charges.

In-Person Check-out with a Staff Member Students may sign up to check out with a student staff member. After completing the “Checkout To Do List” a staff member will check for cleanliness and damages.

If a student chooses to check out with student staff member:
- The student must be present while the staff member check room for any damages and cleanliness and all check-outs must be pre-arranged.
- The student will be notified immediately of any possible damages or cleaning charges. Please note that additional charges may be determined after professional staff review your space. Students will be notified of these charges via your UWSP email.
- By utilizing this process, the student has the opportunity to correct any cleaning, damages or grab any abandoned property the student may have missed.
- Failure to return keys(s) or a Saflok assigned to the student will result in an additional charge.
- By using this process, the student forfeits their right to appeal any charges.

Improper Check-out If a student does not check out with a staff member or through express check-out it will be considered an improper check-out, and the student will be assessed an improper check-out fee in addition to any cleaning or damage charges. A student that check-outs improperly forfeits their right to appeal any charges.

Students may sign up to check out with a student staff member.

An Express Check-out allows a student to complete the above “Check Out To Do List” and check out of their room space without a staff member present. This process utilizes an Express Check-out envelope where their key(s) and Saflok are placed in a marked envelope and the student fills in their student’s room number and departure information. This envelope is then placed in a drop box located in the hall lobby. The room will then be checked and assessed for damages by both student staff and a professional staff member at a later date, without the resident present.

Express Check-Out

An Express Check-out allows a student to complete the above “Check Out To Do List” and check out of their room space without a staff member present. This process utilizes an Express Check-out envelope where their key(s) and Saflok are placed in a marked envelope and the student fills in their student’s room number and departure information. This envelope is then placed in a drop box located in the hall lobby. The room will then be checked and assessed for damages by both student staff and a professional staff member at a later date, without the resident present.

If a student chooses to do an express checkout, they agree to the following:
- Failure to complete the “Check Out To Do List” will result in charges for damages, missing items, and/or cleaning that may apply.
- The student is responsible for any discrepancies on the Room Condition Report and may be billed for damages, missing items, cleaning charges, etc.
- A student that check-outs improperly forfeits their right to appeal any charges.
- Any items left behind will be processed as abandoned property and may incur additional charges and will be discarded appropriately.
- Failure to return key(s) or a Saflok assigned to the student will result in an additional charge.
- By using this process, the student forfeits their right to appeal any charges.

In-Person Check-out with a Staff Member

Students may sign up to check out with a student staff member. After completing the “Checkout To Do List” a staff member will check for cleanliness and damages.

If a student chooses to check out with staff member:
- The student must be present while the staff member check room for any damages and cleanliness and all check-outs must be pre-arranged.
- The student will be notified immediately of any possible damages or cleaning charges. Please note that additional charges may be determined after professional staff review your space. Students will be notified of these charges via your UWSP email.
- By utilizing this process, the student has the opportunity to correct any cleaning, damages or grab any abandoned property the student may have missed.
- Failure to return keys(s) or a Saflok assigned to the student will result in an additional charge.
- By using this process, the student forfeits their right to appeal any charges.

In-Person Check-out with a Staff Member

Students may sign up to check out with a student staff member. After completing the “Checkout To Do List” a staff member will check for cleanliness and damages.

If a student chooses to check out with student staff member:
- The student must be present while the staff member check room for any damages and cleanliness and all check-outs must be pre-arranged.
- The student will be notified immediately of any possible damages or cleaning charges. Please note that additional charges may be determined after professional staff review your space. Students will be notified of these charges via your UWSP email.
- By utilizing this process, the student has the opportunity to correct any cleaning, damages or grab any abandoned property the student may have missed.
- The student is responsible for discrepancies on the Room Condition Report and may be billed for damages, missing items, and/or cleaning charges.
- A student that check-outs improperly forfeits their right to appeal any charges.
- By using this process, the student forfeits their right to appeal any charges.
EMERGENCY PROCEDURES

Emergency Numbers
University Police & Security Services: x3456 (715-346-3456)
Fire Department/Emergency Call Center: 911

Pointer Alert
Pointer Alerts is an emergency communication alert system that allows UW-Stevens Point students, faculty and staff to be notified in the event of a campus emergency. The system is designed to provide information about active credible emergency situations that pose a threat and require immediate action. Students can sign up for Pointer Alerts via www.uwsp.edu/rmgt/Pages/em/po.../default.aspx.

Severe Weather
If alerted to a tornado warning by hall staff or emergency sirens:
• Leave room/lock door/go to safe area
• Safe areas: basement or lower-level hallways where there are no windows.
• Sit in fetal position with your face and head covered

Emergency
If there is not time to evacuate to a safe area, crawl under desk or protect yourself with a mattress and sit in fetal position with your face and head covered

Active Shooter
Once known, an active shooter situation will be announced to the UW-Stevens Point Community as “CODE REACT – ACTIVE SHOOTER ON CAMPUS.” The campus will make all attempts to notify campus utilizing email, full-screen computer pop-ups, verbal or other notifications via available speaker systems in those buildings equipped with such systems or other means.

If you are in the affected building and able to escape shooter’s area and able to exit building:
• Call 911 once you have reached a safe location
• If police are on the scene, follow their orders
• Keep low
• Feel the door

If you are unable to exit building:
• Go to a safe location, lock and barricade doors, and shut off lights
• Call 911 once you have reached a safe location
• Take protective cover under a desk or other location. Stay away from windows and doors. Themselves a part of action if the shooter enters your room.
• If able to escape – do so immediately and follow above instructions.
• If unable to escape, use your best judgment and what you are capable of.

Automated External Defibrillators (AEDs)
are in the lobby of every residence hall. These are available for use in emergency situations. Emergency follow instructions are printed on the machine.

Emergency Contact Information
Students can designate emergency contact information on the university website and via the Emergency Contact Information form in the UWSP Housing Portal.

Emergency Phone
There is a red emergency phone located on each floor in the section (near the recycling chutes). These are for emergency use only and are 911 capable. Courtesy phones are also located near the front desk of every hall.

Exterior Doors
Housing requires that all perimeter doors be kept closed and locked 24/7. Exiting these doors is possible, but an alarm sounds within 30 seconds of a door being opened (and shut properly). Front doors are the only points of entry by using your Saflok card.

Keys and Locks
All front entrance doors are opened using a magnetized Saflok card. If your card does not work or you lose your card, contact the front desk of your hall. Room locks open with a hard key. If you lose your key or Saflok card, see your hall front desk. There will be a charge to replace a lost room key or a Saflok card. There is not a charge for cards that stop working if the nonworking card is returned.

Lockout Policy
When locked out of your room, go to the front desk to check out a key. Between 8 p.m. and 8 a.m. you can call the RA on duty to let you into your room. The duty phone number is posted at the front desk, as well as around the hall. You will be charged for a lockout beginning on your fourth lockout occurrence. Please note the number of lockouts you incur will not reset between semesters.

Fires and Fire Drills
You must evacuate the building when the fire alarm sounds.

If you discover a fire:
• Sound alarm
• Leave building
• Call fire department: 911
• Do not attempt to re-enter building

If you are alerted to a fire by an alarm:
• Remain calm
• Keep low
• Feel the door

If the door or doorknob is hot or the hallway is filled with smoke, wear a face mask and cover your entire body, hang an object out your window, call 911, keep low to the floor.

If you can exit safely, take your key, close your room door, do not use an elevator, leave by the nearest smoke-free exit, and stand clear of the building. Do not re-enter the building until the all-clear is sounded.

If you need assistance to evacuate, go to a stairwell landing (preferred location) or a room with a window. Call 911 and request immediate assistance. Provide dispatcher with your exact location, phone number, building name, floor and room number. Stay on the phone until the dispatcher instructs you to hang up.

Missing Student Notification Policy
A student shall be deemed missing when they are absent from the university for more than 24 hours without any known reason. All reports of missing students shall be directed to University Police. University Police shall investigate each report and make a determination whether the student is missing in accordance with this policy.

Smoke Detectors
Do NOT disable your smoke detector. It is there for your safety and the safety of other residents. You may check the alarm by using the test button. Individuals tampering with smoke detectors may be referred to the conduct system. An intermittent “chirp” indicates a low smoke alarm battery. Submit an online work request to receive a replacement battery (see Facilities section).

Stolen Property
Unfortunately, we cannot guarantee that you will never have anything stolen while you are living here, so it is best to keep your valuables put away and your door locked while you are not in your room. You, not the university, are responsible for any of your property that is lost or stolen. If theft does occur, contact your RA or Residence Hall Director and University Police & Security Services to file a report.
**POLICIES AND PROCEDURES**

**BUILDING SAFETY**

**Bicycles** Bicycles should be parked in bike racks. Semi-covered bike storage can be found at the DUC and Chemistry and Biology Building. You may store your bike in your room/suite with your roommate/suitemate(s)’ permission. Bicycles may not be stored or parked in corridors. Always walk or carry your bicycle in the residence halls. The city of Stevens Point requires that all bicycles operated in city limits be licensed. Licenses can be obtained at the Stevens Point Police Department.

**Cameras** Each residence hall lobby contains a camera monitored by UWSP Police and Security Services. Tampering with the cameras may result in fines, being referred to the conduct systems, and criminal charges.

**Exterior Doors** Entering the residence halls through a marked “exit only” door is not permitted. Propping or interfering with the locks of any entry or exit door is prohibited. Individuals violating this policy will be referred to the conduct system.

**Elevators** Tampering with elevators is not permitted. This includes, but is not limited to, any action that may damage the proper functioning of the elevator. Elevator safety policy will be referred to the conduct system and may incur monetary restitution.

**Hair Cutting** Hair cutting and/or dye is permitted in residence hall bathrooms. All hair cutting waste needs to be swept, deposited into a trash bag and taken to the dumpsters outside the building. All hair dye must be fully cleaned up. If hair waste or dye is not cleaned up, there may be charges for that individual or floor community.

**Hallsports** Playing sports, skating, rollerblading, biking or using any type of bat, ball, stick or other object is not allowed within a residence hall. Hoverboards are not permitted in the residence halls (they cannot be ridden or stored in the halls) due to safety concerns and fire hazards.

**Keys/Safelocks** In the event a key is temporarily misplaced (i.e., locked in a room/suite), a key (safelock in the Suites) may be borrowed from the residence hall desk.

A lock change will be made when:
- A key is reported lost or stolen.
- A key is not returned within 30 minutes of checking one out for a lockout.
- A key is not returned at checkout.

Students are responsible for any changes associated with a lock change and/or replacement of keys. It is the student’s responsibility to report missing keys and safelocks immediately. Students are not permitted to duplicate keys made for any university lock.

No person shall replace without permission, damage, tamper with, or vandize any university lock or security device. If a room/suite lock becomes damaged, it is the responsibility of the resident(s) to complete a work order to have it fixed.

No person may lend another individual (including other residents and guests) their university keys/safelock for any reason. No person may possess another individual’s keys, nor possess an unauthorized key. Keys in the possession of unauthorized persons may be confiscated by staff if you find a key, please turn it in to hall staff.

**Offensive Decorations** Residence hall communities have both the right and the responsibility to regulate the “public” side of room/suite doors and windows, including any offensive material displayed.

This argument stems from the belief that this part of the door or window is a community area shared by everyone who uses the hallway, the sidewalk, or lives within the residence hall building and not solely by the resident(s) of the room/suite.

Residence hall communities have both the right and the responsibility to regulate the “public” side of room/suite doors. Residence halls are considered a non-public forum related to the first amendment. Materials placed on the public side of room/suite doors must be in compliance with UW-Stevens Point policies, e.g., UWS 14, 17, 18, UW-Stevens Point Discrimination and Harassment Policies, and UW-Stevens Point Alcohol Policy. The display and promotion of any event or activity where alcohol is the primary focus will not be permitted. The department mission is to build safe, inclusive environments. If the actions in question are incompatible with this mission, Housing and Residence Life reserves the right to limit those actions (The First Amendment on Campus, Bird, MacKinn, & Schuster, 2006).

Any hall resident or staff member questioning the appropriateness of material(s) displayed on a resident’s door or window will need to submit a report to the Residence Hall Director. The Residence Hall Director will then meet with the resident(s) of that room/suite to discuss the material and removal of the offensive material.

**Pets** All pets, other than fish are prohibited in the residence halls. There is a limit of one 10-gallon tank per resident. During break periods, if you choose to leave the halls, be conscientious of how long you will be gone and how your fish will be cared for. Please note that university staff will not be able to care for the fish over break periods. We reserve the right to restrict residents from having fish if the cleanliness of the tank is not maintained. The university assumes no responsibility for harm to, or loss of, an aquarium for whatever reason.

Pets belonging to visiting guests will not be permitted in the residence halls. Residents requiring assistance of service animals or emotional support animals need to make arrangements through Housing and Residence Life with the Disability Resource Center (DRC).

- No Emotional Support Animal may be kept in university housing at any time prior to the individual receiving approval.
- For more information regarding Emotional Support Animal and Service Animal policies and approval contact Disability Resource Center (DRC).

**Public Areas** Residents are expected to keep public areas of the residence halls clean, including bathrooms, kitchens, trash and recycling areas, stairwells, lounges, hallways, and basement areas. Residents are not permitted to remove furnishings from any public area. Additionally, no resident should utilize public areas as sleeping quarters; this includes any of a resident’s guests.

Since all university lands belong to the state of Wisconsin, some restrictions are placed on hall residents as the result of state law. As a student, you should familiarize yourself with the regulations in Chapter UWSP 14, Chapter UWSP 17, and Chapter UWS 18.

Rights and Responsibilities handbook is online at: https://www.uwsp.edu/dos/Pages/handbook.aspx
POLICIES AND PROCEDURES

BUILDING SAFETY

Public Area Damage Housing reserves the right to charge for any damages to residence hall furniture, fixtures or facilities. If a student is found to be responsible for vandalism in the residence hall, this student is responsible for the cost of the repair/ replacement of the damaged items. Charges over $200 will be assessed to the floor, wing or hall, if the individual(s) responsible cannot be determined. Charges may also be initiated for any repetitive incidents, regardless of cost.

Recycling There are recycling chutes available to students on each floor of every building. These chutes are for the disposal of recyclable materials only. Corrugated cardboard (including pizza boxes with the residual food removed) must be recycled in the basement recycling container. Improperly disposed pizza boxes result in a fine. Garbage/waste disposal in the recycling chutes is not allowed. Fines are issued to individuals who do not recycle properly. If recycling chutes are used improperly (e.g., disposal of garbage), community damage charges will be assessed, and sanctions may be imposed upon the floor or hall.

Restrooms For general safety and security reasons, residents are not allowed in traditional restrooms designated for a different gender than the resident identifies with at any time. All gender restrooms are available in some halls. These restrooms are available for use by all individuals. All gender restrooms provide a facility option for those who may not identify with their assigned gender.

Sales, Soliciting, and Posting Solicitation (including political campaigning) is not allowed in the residence halls. This includes legitimate representatives of reputable businesses and organizations, as well as door-to-door salespersons. If you see an unauthorized solicitor in your hall, please notify your RA, or RHD immediately. Organizations are limited to one poster per hall for each event. All individual correspondence which is not directly related to Housing and Residence Life that is delivered to the mailboxes must be individually addressed to each resident or to the occupants of each room/suite.

Housing staff reserves the right to limit or prohibit private ventures, businesses or retail operations in the residence halls. Private or personal business ventures are strictly prohibited in public areas of the residence halls. A student is required to notify the Director of Residence Life prior to establishment of such business.

Smoking UW-Stevens Point is a tobacco-free campus. Using tobacco is prohibited on campus grounds. More information can be found at www.uwsp.edu/tobaccofree.

Trash You are expected to dispose of trash in the large dumpsters located outside the building. Plastic bags are available for your use from your hall’s front desk at no additional charge. Do not dispose of your personal trash using the floor restroom or kitchen trash. Improper disposal of trash and/or recycling can result in fines.

Bed Bugs As a preventative measure, Housing and Residence Life hires a team of professionals to do a complete search of all residence hall rooms every year to verify that we have no bed bugs in our buildings. If you suspect that you or someone you know has brought bed bugs into the residence halls, please contact your RA.

Lighting Lamp fixtures that is or can be converted into a torchiere style lamp (lamps that focus light upward), and/or the use of any halogen bulbs of 250 watts or greater are prohibited. Lighting within residence hall rooms/suites must be hung in ways that will not cause wires to wear thin. Lights should be connected with heavy-duty extension cords and should be unplugged when unattended. Lighting around your door frame is not permitted because of the possibility that cords or wires may become “stripped.”

Lofts and Bunks The Residence Hall Association (RHA) provides opportunities to rent quality lofts at a reasonable cost. Students can contact College Products. Specific times are designated to pick up and drop off lofts at opening and closing periods. All other arrangements must be made directly with College Products at by calling 712-226-3250 or visit https://www.collegeproducts.com/store/uwsp. Failure to return a loft at the designated time may result in a $50 charge in addition to loft replacement costs. Homemade lofts are not permitted.

The information does not pertain to the Suites@201. All beds in the Suites@201 are self- lofting; residents may not bring in additional lofting mechanisms.
POLICIES AND PROCEDURES

ROOM SAFETY

Room Capacity The number of people in a room at a time may not exceed 10 persons. Room capacity for the Suites@201 may not exceed 13 persons at a time.

Room Decorating The following is prohibited in residence hall rooms/suites:
- Christmas trees, evergreen boughs, and branches with dead leaves
- Your bed may not create an obstacle for leaving the room/suite.
- Your room/suite door and window should not be blocked at any time.
- Nothing of a highly combustible nature may be hung from the ceiling or other overhead structures.
- Suspension chains, pressure lofts, or pressure-treated lumber pieces
- Waterbeds
- Public area furniture
- LED light strips with adhesive

No items may be hung or adhered to the ceilings. No items may be adhered to or displayed in windows.

Room Door Decorations Decorations must be flat against the door. Nothing may hang from the door jam or ceiling above your door. Door decorations may cover no more than 50% of the door’s surface. Do not cover the peephole. Any damage to the door will be the responsibility of the individuals living in that room/suite.

Room Walls Painting walls or covering them with anything (e.g., paneling, contact paper, graffiti, etc.) is prohibited. You will be charged if the walls need to be painted due to damages.

Room Furnishings All university furnishings, including lofts, must stay in student rooms/suites. This includes rooms occupied as singles. Any furnishings affixed to the wall may not be removed. This includes mirrors, bulletin boards, closets and/or closet curtains, desks, bookshelves, smoke detectors, and electrical fixtures.

Screens As a safety precaution and to prevent insects, birds, and bats from entering the building, all screens and windows must remain in place. A student will be charged for each occurrence a screen is removed, damaged, or tampered with.

FIRE SAFETY

Appliances Housing and Residence Life reserves the right to limit the items in a students’ room if it is in the best interest to protect the students and the building.
Permitted in Residence Halls:
- Small microwave ovens (1500 watts or less)
- Refrigerators no more than 5.4 cubic feet
- Coffee maker/single cup brewing systems
- Fan (box or rotation)
- Juicer
- Rice cooker
- Stereos
- Vacuum Cleaner
- Humidifier
- Space heater (only university provided units, available at hall front desks for checkout)

Not Permitted in Residence Halls:
- Air conditioner (unless approved by Housing and Residence Life for medical accommodation)
- Air Pizza Cooker
- Cup Warmer
- Deep Fryer
- Sun lamp
- Wireless router
- Oxygen tanks (unless approved by Housing and Residence Life for medical accommodation)
- Air Fryer
- Toasters (unless approved by Housing and Residence Life for medical accommodation)

Upon permission by the Residence Hall Director, some prohibited items may be used under the supervision of hall staff during hall programs.

Candles and Incense Candles and/or incense is prohibited. Wax warmers and wax are permitted.

Electrical Cords Overloading electric receptacles or using multiple-socket plugs is prohibited. Extension cords may not run under rugs, and must be in good condition (no frays). The only permissible extension cords are those that are UL listed 3 wire/3 prong cords (15 amp. maximum). Power strips of the same specifications may also be utilized if equipped with a circuit breaker. Usage of these devices is not to exceed one per electrical outlet, and must be plugged directly into the outlet. Residents must check the wattage rating on the appliance or tool that will use the extension cord; do not use an extension cord with a lower rating.

Fire No person may light any fires, including, but not limited to, burning candles, incense, lanterns, potpourri, or gas or charcoal cooktops or grills inside, or immediately surrounding (within 25 feet), of any residence hall.

Fireworks No person may possess or use fireworks on University Lands. The possession or use of firecrackers, gunpowder, or other materials that endanger health or safety is strictly prohibited. Students found in possession of fireworks and/or explosives are subject to criminal prosecution and/or university disciplinary action, including suspension or expulsion.

Fire Evacuation All individuals must leave the residence hall when a fire alarm sounds. Any person who refuses to leave the hall when the fire alarm sounds, remains within 100 feet of the building or returns to the building before the all clear is given by authorized personnel will be subject to university and civil disciplinary action.
POLICIES AND PROCEDURES

FIRE SAFETY

Fire Alarms and Equipment
Fire alarms and equipment are not to be tampered with or abused. This includes, but is not limited to, unplugging or disconnecting smoke detectors, tampering with the sprinkler system, triggering or pulling a false alarm, damaging or removing parts from the fire alarm system, misuse of a fire extinguisher, starting a fire, personal belongings being placed in fire extinguisher cabinets, or items being hung from fire equipment.

Hallway Obstruction
Leaving items in hallways are prohibited. This includes but is not limited to bicycles, lofts, rugs, door mats, floor mats, shoes, pumpkins, etc.

Smoking Devices and Tobacco
Smoking of any product is not permitted in the residence halls. The use of any vapor producing item in the residence halls is not permitted; this includes but is not limited to e-cigarettes, hookahs, and other vapor producing products.

Smudging
Smudging is a ritual used by indigenous people throughout the world in which herbs are used to cleanse persons or places of negative thoughts, bad spirits or negative energy. Herbs are typically burned in a small shell or other container that will not burn. The State Fire Marshal of Wisconsin has stated that smudging is not allowed in residence halls. The Dean of Students Office can be of assistance in finding another acceptable smoking alternative.

Discrimination
Discrimination and discriminatory actions/behaviors are prohibited in employment, educational programs, and activities based on race, sex, religion, color, creed, disability, sexual orientation, gender identity, national origin, ancestry, or age of any individual.

Disruptive Behavior
Disorderly conduct within the residence halls is not permitted. This includes, but is not limited to, engaging in fighting, prank activities, using abusive language, or acting in a manner to disturb or threaten the public space.

Domestic Abuse
Individuals who have or had a relationship with another person and intentionally inflict pain; physical, emotional and mental injury or illness; or threaten an individual is strictly prohibited. This includes roommates’ roommates living together per Wisconsin State Law.

Deposit of Human Waste
No person may urinate, defecate, vomit, spit, or deposit human waste products on university property other than in a toilet or urinal.

Deposit of Animal Waste
No person is permitted to place an animal in the residence halls. This includes but is not limited to rabbits, guinea pigs, birds, etc.

Waste Management
Waste products on university property other than in a toilet or urinal.

Hate Crimes/Bias Incident
A hate crime is a criminal offense that is motivated, in whole or in part, by the offender’s bias against a race, religion, disability, sexual orientation, or ethnicity/national origin. A bias incident is conduct, speech, or expression motivated by bias against an individual’s actual or perceived race, national or ethnic origin, religion, disability, sexual orientation, gender identity or expression, or gender. Bias acts occur when the act is intentional or unintentional or is directed toward an individual or group and may contribute to creating an unsafe/unwelcoming environment for victims and social identity groups. Bias acts are considered such even when presented as a joke, prank, or delivered with humorous intent. Examples include: slurs, epithets, name calling, use of degrading language, graffiti, harassment or coercion directed at a targeted person/group.

Physical Assault
No person may intentionally strike, shove, hit, punch, kick, or otherwise subject another person to physical contact or cause bodily harm without their consent.
POLICIES AND PROCEDURES

CONDUCT POLICY

Quiet Zone  All outside areas surrounding all residence halls are “quiet zones.” The quiet hours are the same as the quiet hours inside the residence halls: Sunday–Thursday, 10 p.m. to 9 a.m.; Friday and Saturday, midnight to 9 a.m. The quiet zone hours will not change during finals week. They remain as stated above. The exceptions to this policy are for the service vehicles that are contracted by the university to empty the recycling chutes and dumpsters, and any university-sanctioned activity.

Retaliatory Action  Any action taken against a person lodging a discriminatory complaint/ grievance or incident report is prohibited.

Sexual Harassment  Unwelcome or coercive advances are not permitted. Sexual activities, behaviors, or materials in the residence halls that create a hostile environment for living, working, or learning are prohibited.

Sexual Assault  Sexual assault, defined as unwanted sexual contact with a person without their consent, is strictly prohibited.

Stalking  Stalking is defined as repeatedly following or remaining in visual or physical proximity to a person, repeatedly conveying verbal threats, written threats, or threats implied by conduct.

Threats  Threats made towards others verbally, physically, and/or in writing are prohibited.

Throwing Objects  No person may, in any manner throw, drop, kick, propel, or otherwise project any object, (e.g., bottle, can, container, snowballs, liquids, etc.) in, from, or at any person, object, or building.

Vandalism  Students who vandalize property on university premises will face disciplinary action and restitution costs. This includes, but is not limited to, damaging bulletin boards, water and/or food fights, tampering with washing machines, vending machines, and game machines in order to avoid paying for services, and elevator misuse/abuse.

Weapons  Weapons are defined as guns (including paint ball guns), bows and arrows, any type of non-laser knife, weapons over 3 inches, blow guns, ammunition, and toy guns. These items must be stored in the armory located in the George Stien Building. They must be unloaded immediately when they are removed from storage.

DRUG & ALCOHOL POLICY

Drugs  In conjunction with UWSP 17.09(6) and UWSP 18.09, the university cooperates fully with local and state law enforcement agencies. Involvement with controlled substances could lead to criminal charges being brought against those involved. For information regarding the drug sanctioning grid, please refer to the Dean of Students website at https://www.uwsp.edu/dos/Pages/stu-conduct.aspx

Alcohol  The alcohol policy of the university and the residence halls is in place to enforce state law and to ensure a safe and secure environment for all residents. Keep in mind that even after you attain the legal age to consume alcohol, it is still an expectation that you consume alcohol responsibly and not engage in behavior that negatively impacts yourself or others.

If an underage student is found in possession of alcohol, University Officials possess the right to dispose of or have the student dispose of all alcohol present in the area, including empty alcohol containers.

If an underage student is found in possession of alcohol paraphernalia, the student will be asked to remove it from the university grounds.

Alcoholic Beverage  is defined as any beverage that contains alcohol. This includes nonalcoholic beverages containing 0.5%+ alcohol by volume.

Alcohol-Free Floors  An alcohol-free floor is defined as a residence hall floor community in which all residents of the floor and their guests (regardless of age) agree not to possess, drink, or be under the influence of alcohol on their designated floor. “Under the influence” is defined as having any alcohol in one’s system. A resident’s failure to comply with the terms of the Alcohol-Free Floor agreement may result in immediate removal from this community.
**Policies and Procedures**

## Drug & Alcohol Policy

### Dry Room
Resident(s) assigned to the room/suite are under the age of 21. No alcohol may be possessed/consumed in a dry room/suite by anyone, regardless of age (this includes, friends, fellow students, parents, and other guests).

### Damp Room
At least one assigned roommate/suitemate is 21 and at least one roommate/suitemate is under 21. The resident who is of legal drinking age may consume alcohol in their room/suite but may not give alcoholic beverages to those under the age of 21.

### Wet Room
Resident(s) of the room/suite are under the age of 21. If hall residents under the age of 21 wish to decorate their rooms/suites with empty alcohol containers, they may make a request through the Forms - Alcohol Container Registration.

### Common Containers
Bulk alcohol or empty bulk alcohol containers of any size are not permitted in individual rooms/suites (e.g., keg, etc.). Exceptions may be made for root beer kegs that are previously approved by the Residence Hall Director. Home Brewing process are prohibited in the residence halls. Students are prohibited from possessing any device designed to be used to consume alcohol in large quantities including, but not limited to, beer bongs and kegs.

### Complicity
Presence in a location where a policy violation is occurring indicates acceptance of this behavior and is, therefore, prohibited. Residents are expected to remove themselves from such situations. Reporting policy violations to the appropriate university personnel or making a reasonable effort to stop the behavior is encouraged.

### Conduct of Guests
No guest may possess alcohol in the room/suite of a resident that is under the legal drinking age. Residents are responsible for individuals in their room/suite who are under the legal age and consume alcohol. In these cases, not only the underage consumer may be sanctioned for their behavior, but the resident(s) of the room/suite in which the violation took place may also be sanctioned.

### Consumption and/or Possession
Residents and guests who are not of legal drinking age are prohibited from consuming, possessing, procuring, selling, dispensing, or giving alcoholic beverages away to any person. Residents under the legal drinking age cannot host drinkers. Housing and Residence Life will enforce the State Laws of Wisconsin.

### Distributing to Persons Not of Legal Drinking Age
Residents may not provide alcohol to a person who is not of legal drinking age. Alcoholic beverages cannot be sold in residence halls.

### Empty Containers
Containers that were originally used to hold alcoholic beverages (cans and bottles) in any form; empty, sealed or open, may not be possessed by any person that is under the age of 21. If hall residents under the age of 21 wish to decorate their rooms/suites with empty alcohol containers, they may make a request through the online approval form. You can find the form here: https://spin.uwsp.edu/forms - Alcohol Container Registration.

### Irresponsible Drinking
The following is considered irresponsible drinking and is prohibited (regardless of age):
- Loud and/or destructive behavior
- Inability to control bodily functions (vomiting, urinating, defecating, incapacitation)
- Vandalism
- Violent or abusive behavior toward any University Official, other community member, or guest as a result of consuming alcohol

### Public Areas
Consumption of alcoholic beverages is not permitted in public areas. Alcoholic beverages in open containers (glasses, cans, bottles, cups, etc.) may not be transported between rooms/suites. Alcohol is strictly prohibited in public academic areas, study lounges, bathrooms, computer rooms, fitness rooms, etc. even if possessed by residents of legal drinking age. Alcohol beverages may be transported by those of legal drinking age through main lobbies in manufacturer sealed or capped containers to locations where it is authorized and legal to use.

Only in Hyer Hall, may alcohol be consumed by residents of legal drinking age and their guests of legal drinking age in the following areas: TV lounge, game room/area, and designated public social areas. The persons in these areas may have no more than one drink in their possession.

Alcohol is strictly prohibited in public academic areas: i.e. study lounges, computer rooms, fitness areas, etc.
POLICIES AND PROCEDURES

GUEST POLICY

Residents are responsible for informing their guests of all pertinent university rules and regulations. Guests are required to adhere to university rules and regulations. Violations may subject to legal action.

Guest is defined as any person visiting (other residents, friends, family, etc.), anyone that is checked in at the front desk under your name, or anyone that you allow in the building through a locked door.

Overnight Guest is defined as any person who stays the night and is not assigned by Housing to live in the room/suite, even if that person lives on campus.

The host is responsible for their guests’ behavior. Any individual visiting a building which they do not reside is considered a guest. All guests must register with their host upon each visit. When desk is closed, hosts are responsible for checking in their guest via the hall’s guest check-in QR code (posted at the front desk). Residents are always expected to be with their guests.

Individuals living in single rooms must also abide by guest and overnight guest policies.

All guests and overnight guests 16 years or older must always have a picture ID with them while in the residence halls.

If your guests cannot provide ID, are not properly registered through the front desk, or are being uncooperative with hall staff, the RA, RHD, or University Police and Security Services may escort your guest(s) from the building.

There is a limit of two overnight guests per traditional room/or bedroom of a suite. Guests may stay no more than three consecutive nights in any residence hall, with a maximum of eight nights per month; this maximum applies to individual guests in any hall on campus.

In cases where roommates/suitmates cannot agree, the right of a person to occupy their room/ suite without the presence of an overnight guest takes precedence over the right of a roommate/suitmate to host overnight guests. The hosting of overnight guests and the terms under which this occurs must be mutually agreed upon by roommates/suitmates and in accordance with the guidelines established in this policy.

NOISE POLICY

The realities of community living dictate that individuals respect community needs for the moderation of noise. Housing and Residence Life encourages students to confront one another when noise is infringing on their right to an environment conducive to sleeping and studying. Housing staff may confront individuals at any time for noise violations, even when no specific complaint has been issued, in order to preserve academic communities within the residence halls.

Complicity Presence in a location where a policy violation is occurring indicates acceptance of this behavior and is, therefore, prohibited. Residents are expected to remove themselves from such situations. Reporting policy violations to the appropriate university personnel or making a reasonable effort to stop the behavior is encouraged.

Quiet Communities These communities have been established to meet the needs of those students who have expressed a desire to live in an area where a quiet study atmosphere is continually maintained. Communities may modify and extend these hours if they wish to make them even more conducive for focused study time.

Sunday-Thursday: 9 p.m. to 10 a.m. the next morning
Friday & Saturday: 11 p.m. to 10 a.m. the next morning

Finals Week Quiet Hours

Finals week quiet hours begin at 11:59 p.m. the Friday before Monday finals and remain in effect as continuous quiet hours until the last final exam period. The level of noise acceptable during this time is comparable to normal quiet hours, with breaks occurring during relaxed hours.

Relaxed hours will take place daily between 11 a.m. - 1 p.m. and 4 p.m. - 7 p.m. Relaxed hours are flexible hours that allow residents to leave their doors open, vacuum, play music at a reasonable level, talk in a normal tone, etc. Activities that are prohibited during relaxed hours include, but are not limited to, stereos and televisions in excessive volume and yelling.

Quiet Hours During Quiet Hours, noise should not be heard from a room/suite with the doors and windows closed for longer than 30 seconds from two doors away. This policy includes the slamming of doors, in addition to general noise and voices.

Sunday-Thursday: 10 p.m. to 9 a.m. the next morning
Friday & Saturday: 12(Midnight) to 9 a.m. the next morning

Sunday-Thursday: 9 p.m. to 10 a.m. the next morning
Friday & Saturday: 11 p.m. to 10 a.m. the next morning

Quiet Communities These communities have been established to meet the needs of those students who have expressed a desire to live in an area where a quiet study atmosphere is continually maintained. Communities may modify and extend these hours if they wish to make them even more conducive for focused study time.

Sunday-Thursday: 9 p.m. to 10 a.m. the next morning
Friday & Saturday: 11 p.m. to 10 a.m. the next morning

Finals Week Quiet Hours

Finals week quiet hours begin at 11:59 p.m. the Friday before Monday finals and remain in effect as continuous quiet hours until the last final exam period. The level of noise acceptable during this time is comparable to normal quiet hours, with breaks occurring during relaxed hours.

Relaxed hours will take place daily between 11 a.m. - 1 p.m. and 4 p.m. - 7 p.m. Relaxed hours are flexible hours that allow residents to leave their doors open, vacuum, play music at a reasonable level, talk in a normal tone, etc. Activities that are prohibited during relaxed hours include, but are not limited to, stereos and televisions in excessive volume and yelling.
Housing’s Expectation is individual students, floor communities, residence hall communities, and hall staff share responsibility for ensuring that our residence halls are safe, secure, and healthy living and learning environments that meet students’ needs. As in every community, Housing and Residence Life has specific policies and regulations, general guidelines of good citizenship and responsible behavior.

When students’ behaviors are illegal, jeopardize the rights of others, or violate the policies in this handbook, they will be held accountable through the conduct system. By signing the UW-Stevens Point Housing and Residence Life Housing Contract, a student agrees to abide by these policies.

When Confronted for a Policy Violation

If you are involved in a situation that violates a policy, a hall staff member may approach your room/suite. At that time, their responsibility is to end whatever behavior is taking place which violates a policy as stated in the policy section of this handbook. The Resident Assistant (RA) will identify the resident(s) responsible for the room/suite to discuss the behavior(s) of concern and resolve the situation. The RA will then write an incident report documenting the details of what happened including names of people present, the policies that were violated and any other relevant information.

The RA is not responsible for assessing your role in the situation, they merely document what happened, and the Residence Hall Director will determine each student’s role in the incident. The report is then forwarded to the Residence Hall Director for review. Depending on the nature of the situation, the Residence Hall Director will follow up with students in a meeting (called a conduct conference), by email or through a letter in their mailbox.

Meeting with your Residence Hall Director

During your conduct conference, your Residence Hall Director will listen to your perspective on the incident and determine if you are responsible or not responsible for the behaviors reported. If you are held responsible, your Residence Hall Director will issue sanctions for being involved in the violation(s).

Examples of sanctions that may be issued during a conduct conference:

- **Educational Sanctions:** Examples include the Personal Alcohol Control through Exploration (PACE) workshop, Judicial Educator online modules, bulletin boards, hall programs, study hours, etc. The purpose of an educational sanction is to provide further information or raise awareness about a behavior that violates a policy.

- **Formal warning or reprimand:** No additional sanctions will be issued provided you change your behaviors.

- **Probation:** A window of opportunity to show you are changing your behavior. Involvement in additional situations that violate policies will be a violation of your probation, which may result in additional sanctions and could also affect your status as a student.

- **Parental Notification:** The university may choose to contact a parent or guardian when a student’s abuse of chemicals is jeopardizing their own health or that of others; when efforts to gain compliance with university alcohol, drug and other behavioral policies have failed and the university is in question; when a student’s physical or emotional health has become threatened or has become potentially dangerous to others; and/or when the university feels the student may be incapable of making safe, healthy decisions for themselves. Contacts with parents or guardians in these instances will be made by the vice chancellor for Student Affairs or the designated investigation officer(s).

- **Restitution:** Payment for any damage or clean-up costs incurred from the incident that occurred. Terms and conditions are continued student status – reasonable terms that would allow you to remain a student.

- **Suspension or Expulsion**

For more details on the conduct process please review UW System Chapter 17: [https://www.wisconsin.edu/dot/files/Documents/CH17-UWSP-Updated2018.pdf](https://www.wisconsin.edu/dot/files/Documents/CH17-UWSP-Updated2018.pdf)

If you have questions about any housing and Residence Life policies, please consult with your RA. If you have questions about the conduct process, please consult with your Residence Hall Director.

Please keep these things in mind when interacting with staff members that approach your room/suite regarding a policy violation:

- Cooperation with staff is important. You can cooperate with staff members by opening the door, talking with them openly and honestly and complying with their requests.
- If a room/suite is uncooperative with hall staff members, the Residence Hall Director or University Police and Security Services would be called to assist with resolving the situation and that behavior will be noted in the incident report. If University Police and Security Services responds to an incident in a residence hall, they may issue a citation to those involved.
- According to university policy, all UW-Stevens Point students should carry their university ID card and present it to university officials upon request. Hall staff members are university officials; providing a student ID when requested (or photo ID for non-student visitors) is viewed as a lack of cooperation.
- Residents are responsible for their guests, including any policy violations conducted by the guest. Guests must sign in at the hall’s front desk and overnight guests must always be registered through the front desk and carry their guest card with them.
- If your guests cannot provide ID, are not properly registered through the front desk, or are being uncooperative with hall staff, the RA, RHD, or University Police and Security Services may escort your guest(s) from the building.
- Remain calm and be honest with hall staff members about what is happening and who is involved. You can be held responsible for making false statements in a conduct conference, so it’s best to tell the truth from the start.
- Upon entry, a university staff member is authorized to do what is called a “plain view search.” In other words, they may look at areas of the room/suite that are plainly visible.
- Rooms/ suites will not be searched except with your permission or by appropriate legal authorities with a warrant. As a UW-Stevens Point student, it is your responsibility to show that you are not in violation of a university policy. You may choose to deny a request for entry/search from hall staff or university personnel, but you will not be providing sufficient evidence that you are not in violation of a policy. Noncompliance will be taken into consideration when sanctioning is involved.
- For example: if any alcohol containers are found in a room where both residents assigned to that room are under 21, staff members will ask the students to remove and recycle all containers present. If staff members have reason to believe there is alcohol present in a room, they may ask to look inside a refrigerator, cooler, or other space that may store alcohol. You may deny a request to open the refrigerator, but you will not be providing enough evidence that you are not in possession of alcohol and may be found in violation.

To prevent situations from occurring in your room/ suite when you are not present, lock your room/ suite door. If you are away from your room yet leave your room/suite door unlocked and friends go to your room/ suite and engage in behavior that violates a policy, you will be held responsible to a degree depending on the situation that occurred in your room/suite. By choosing to not lock the door, you granted permission for that incident to occur.
