

BUS221 Entrepreneurial Path
Fall 2022
University of Wisconsin-Stevens Point
School of Business & Economics (SBE)

Mission: The UW-Stevens Point School of Business and Economics (SBE) creates career ready graduates and leaders through applied learning. We serve the businesses, economy, and people of the greater Central Wisconsin region. We specialize in preparing students for success by providing professional development experiences, access to employers, and in-demand skills.

The SBE achieves its mission by valuing:

- Talent development
- Lifelong learning
- Career preparation
- On the job experiences
- Community outreach
- Regional partnerships
- Continuous improvement

Accreditation Commitment: SBE is accredited by the Association to Advance Collegiate Schools of Business (AACSB), a designation earned by only 5 percent of world business schools. Accreditation instills a culture of continuously improving our programs through connections with local business leaders, alumni and the community.

Course Description: Introduction of entrepreneurship as both a personal journey and a new venture creation process. Examines desirable entrepreneurial attributes and competencies as well as the demands and rewards of pursuing an entrepreneurial path. Provides an overview of the new venture creation process including idea generation, opportunity identification, opportunity assessment, business modeling, and marketing and funding strategies. Concepts apply to large or small, not-for-profit and for-profit ventures. **Credits:** 3

Text: *Entrepreneurship-Successfully Launching New Ventures*, Barringer & Ireland; 6th ed., Pearson, 2019. UWSP text rental available.

Instructor: Vicki Lobermeier, BBA Marketing UW-Eau Claire; MA Organizational Communications UW-Stevens Point; recently retired director/business adviser for 23 years at UWSP Small Business Development Center; former Business Owner of several (ad)ventures!

Office: Email vloberme@uwsp.edu for answers to questions or to set up a Zoom meeting.

Format: This course will be delivered entirely online through the course management system Canvas. View this website to see [minimum recommended computer and internet configurations for Canvas](#). Expected Instructor Response Times

I will attempt to respond to student emails within 24 hours. Please be patient. There are 45 students in this class.

***If you have a general course question (not confidential or personal in nature), please post it to the Course Q&A Discussion Forum (i.e. *Raise Your Hand*) found on the course homepage. I will post answers to all general questions there so that all students can view them. Students are encouraged to answer each other's questions too.

Student Expectations: Canvas is the platform for this class. Use it to the fullest extent. Watch for Announcement items, refer to Assignment section for articles, video clip links, PowerPoints, etc., upload all assignments, take all Quizzes in the Assignment section, and review course progress in the Gradebook. Canvas helps both of us stay organized.

UWSP Technology Support: The Office of Information Technology (IT) provides a Service Desk to assist students with connecting to the Campus Network, virus and spyware removal, file recovery, equipment loan, and computer repair. You can contact the Service Desk via email at techhelp@uwsp.edu or at (715) 346-4357 (HELP) or visit: <https://www.uwsp.edu/infotech/Pages/ServiceDesk/default.aspx>

For technology instruction sheets, online support videos, and other related resources, go to: <https://www.uwsp.edu/online/Pages/Student-Support.aspx>

The university also provides a Technology Tutoring service in which tutors meet with students one-on-one to provide technology assistance. To receive help of this nature visit: <https://www3.uwsp.edu/tlc/Pages/TechEssentials.aspx>

Additional tools designed to help students taking online or hybrid courses can be found at: <https://www.uwsp.edu/online/Pages/Online%20Student%20Orientation.aspx>

Canvas Support: Within the course, click on  in the global (left) navigation menu and note the options that appear:

Support Options	Explanations
Ask Your Instructor a Question Submit a question to your instructor	Use Ask Your Instructor a Question sparingly; technical questions are best reserved for Canvas personnel and help as detailed below.
Chat with Canvas Support (Student) Live Chat with Canvas Support 24x7!	Chatting with Canvas Support (Student) will initiate a <i>text chat</i> with Canvas support. Response can be qualified with severity level.
Contact Canvas Support via email Canvas support will email a response	Contacting Canvas Support via email will allow you to explain in detail or even upload a screenshot to show your particular difficulty.
Contact Canvas Support via phone Find the phone number for your institution	Calling the Canvas number will let Canvas know that you're from UWSP; phone option is available 24/7.
Submit a Feature Idea Have an idea to improve Canvas?	If you have an idea for Canvas that might make instructions or navigation easier, feel free to offer your thoughts through this Submit a Feature Idea avenue.

NOTE: All options are available 24/7; however, if you opt to email your instructor, s/he may not be available immediately.

Self-train on Canvas through the Self-enrolling/paced Canvas training course: <https://uws.instructure.com/courses/45767>

Attendance Policy: You should be working in Canvas and checking both email and Canvas Announcement items regularly. There are specific due dates for online discussions, quizzes and assignments. You will get the most out of this class if you keep up with the reading/video clip and PowerPoint reviews as the content will help inform your online discussions, written reflections, assignment and quiz completion. This is a fun course with extremely interesting material. Active participation will help you determine whether entrepreneurship is a path you wish to walk!

Academic Honesty: It goes without saying that you are expected to complete your own work, including online quizzes...period! Refer to the UWSP Student Manual regarding academic honesty. Nothing else to say about this...

Grading Scale: Assignments, quizzes, etc. are assigned a maximum number of points (see table below). At the end of the semester, all points earned are added together and assigned a letter grade based on the point schedule below.

Total possible points=955

Assignments: All assignments for this course will be submitted electronically through Canvas unless otherwise instructed. Assignments must be submitted by the given deadline or special permission must be requested from instructor *before the due date*.

Late Work Policy: Be sure to pay close attention to deadlines. Late assignments are accepted up until the end of the semester, however, at a 50% point deduction. I always encourage students to submit any late work as some points are always better than no points! **NOTE: There will be no make-up of missed Quizzes or Discussion Forums. If a Discussion's Initial Post is posted after the usual 11:59pm Wednesday but before the Replies are due (by 11:59pm Sunday), you will lose 5pts.**

Inform Your Instructor of Any Accommodations Needed If modifications are required due to a disability, please inform the instructor and contact the Disability Resource Center (DRC) to complete an Accommodations Request form. The DRC is located in room 108 in the Collins Classroom Center (CCC). For more information, call 715-346-3365 email drc@uwsp.edu, or visit: www.uwsp.edu/drc.

Statement of Policy: UW-Stevens Point will modify academic program requirements as necessary to ensure that they do not discriminate against qualified applicants or students with disabilities. The modifications should not affect the substance of educational programs or compromise academic standards; nor should they intrude upon academic freedom. Examinations or other procedures used for evaluating students' academic achievements may be adapted. The results of such evaluation must demonstrate the student's achievement in the academic activity, rather than describe his/her disability.
