Your participation is graded based on your posts on the discussion forum on D2L, which can be found under the Discussions tab on your D2L course page. Each post will account for **one point**. Your participation grade will not exceed 15 points. The post can either be a new thread you create, or a reply to an existing thread.

To receive the points for participations, you will need to create a word document (**Discussion Record**), which includes one Print Screen picture or snap shot for **each** post you have made. The discussion record is due on Friday **Dec. 16th** by 11:59PM on D2L via Dropbox.
