Several UWSP departments and programs, including the School of Business & Economics, sponsor Professional Pointer Events (or Pro Events).

Pro Events connect you to:

- * Campus (e.g., academic coaching, student clubs);
- * Community (e.g., Rotary, Business Council): and
- * Careers (e.g., internships, networking).

As an SBE student, you will be able to choose from a wide variety of speakers, workshops and special events. With over 300 events per year on the Pro Events calendar, you will have significant flexibility in selecting your events. Whatever you choose, Pro Events will help you to make the most out of your time as a student and to prepare for transitioning into a successful career.

Visit the Pro Events web site (proevents.uwsp.edu) for announcements of upcoming events. You can also follow us on social media: * Facebook: UWSP School of Business & Economics * Twitter: @UWSPBusiness

For this course, you must attend two official Pro Events. One event must be before the mid-semester cut-off of March 8; a second event must be before the end-of-semester cut-off (May 10). If you go to extra events before the mid-semester cut-off, those credits will carry over into the second half of the semester. Attendance at each event will count for 10 points towards your final grade.

Typically, when you attend an event, you will sign in with your Point Card and thereby receive your Events credit. Occasionally, there are events requiring that you take along an Events Attendance form and obtain a signature at the event; events requiring an Events Attendance form will be clearly labeled and the form will be available online.

Attendance at Pro Events will be confirmed with automatic emails to you and updated on the Pro Events web site. Please allow a week for confirmation of attendance at events held outside the SBE, such as Career Services events. If you have a question about Pro Events attendance, please email proevents@uwsp.edu .

If you have multiple courses or affiliations with Pro Events requirements, it is your responsibility to make sure you have attended enough events for each course/affiliation. If you have not

attended enough events to cover all of your requirements, your attendance will be allocated to your courses in alpha-numeric order followed by any other affiliations.

After the mid-semester cut-off and the end of this semester's events, I will receive reports confirming your attendance. You do not need to do anything else.
