SBE Mission: The UWSP School of Business and Economics educates and inspires students and prepares graduates for success in positions of leadership and responsibility. We serve the students, businesses, economy and people of the greater central Wisconsin region. Our students achieve an understanding of regional opportunities that exist within the global economy.

Evidence of our graduates' level of preparation will be found in their ability to:

- Analyze and solve business and economics problems
- Understand the opportunities and consequences associated with globalization
- Appreciate the importance of behaving professionally and ethically
- Communicate effectively

SBE Program Learning Objectives:

Students will be able to apply core concepts, models and methods from business, accounting and economics in identifying and solving problems.

Students will be able to work effectively with others in team settings.

Students will be able to craft and present an effective oral presentation.

Required Text: Advanced Accounting by Fischer, et al; 12th edition, Cengage Publishing.

Academic Conduct: All students are expected to follow ethical practices in their course work. The policies and procedures defined by the Chapter UWSP 14 will be followed. For more information see <http://www.uwsp.edu/admin/stuaffairs/rights/rightsChap14.pdf>

This course content will be divided into two main sections: Governmental and Not-for-Profit Accounting and Combined Corporate Entities and Consolidations. Be sure to check this syllabus, as we will not be going in numerical chapter order.
