A. COURSE DESCRIPTION

The legal environment of international business and contracting, international and U.S. trade laws and treaties, regulation of the international marketplace.

B. COURSE GOALS

Understand ways in which businesses operate in an international framework. Differentiate between the various sources of law that apply to international business. Identify key issues businesses face in selected areas of international trade.

C. LEARNING GOALS

SBE Mission: The UWSP School of Business and Economics educates and inspires students and prepares graduates for success in positions of leadership and responsibility. We serve the students, businesses, economy and people of the greater central Wisconsin region. Our students achieve an understanding of regional opportunities that exist within the global economy.

Evidence of our graduates' level of preparation will be found in their ability to:

- Analyze and solve business and economics problems
- Understand the opportunities and consequences associated with globalization
- Appreciate the importance of behaving professionally and ethically
- Communicate effectively

Program Learning Outcomes

1. Students will be able to identify the regional benefits from a greater presence of local business in global markets.

90-92 – A-

87-89 – B+

83-86 – B

80-82 – B-

77-79 – C+

73-76 – C

70-72 – C-

67-69 – D+

60-66 – D

< 60 - F

G. ATTENDANCE POLICY

Due to the large amount of discussion and group work in this course, attendance is mandatory.

I expect students to contact me before absences occur (either by phone or email; there is no need to give me a reason for the absence, just let me know you will not be attending class), or as soon possible after class occurs in cases of emergency.

Provided I receive notice as described above, students will be allowed four absences without any negative effect on their final grade. For the fifth and each subsequent absence, the student's final grade will drop one letter grade (A becomes A-, A- becomes B+, etc.).
