5.4. Smiley Professional Events (or Pro Events)

Several UWSP departments and programs, including the Sentry School of Business & Economics, sponsor **Smiley Professional Events** (or **Pro Events**).

Pro Events connect you to:

- *Campus* (e.g., academic coaching, student clubs);
- *Community* (e.g., Rotary, Business Council); and
- *Careers* (e.g., internships, networking).

As an Sentry School of Business and Economics student, you will be able to choose from a wide variety of speakers, workshops and special events. With over 300 events per year on the Pro Events calendar, you will have significant flexibility in selecting your events. Whatever you choose, Pro Events will help you to make the most out of your time as a student and to prepare for transitioning into a successful career.

Visit the Pro Events web site (proevents.uwsp.edu) for announcements of upcoming events. You can also follow us on social media. Facebook: [UWSP School of Business & Economics](https://www.facebook.com/UWSPSchoolofBusinessandEconomics)
Twitter: [@UWSPBusiness](https://twitter.com/UWSPBusiness)

For this course and to help your future career, you must attend **two** official Pro Events. One event must be before the mid-semester cut-off of **Friday, March 17**; a second event must be before the end-of-semester cut-off (**May 12**). If you go to extra events before the mid-semester cut-off, those credits will carry over into the second half of the semester. Each Pro Event you attend will be worth 1.5% of your final grade, for a total of 3%. Either in-person or virtual events will count toward this requirement.

Starting Fall 2022, only students registered for 100% online or branch-campus classes will have access to Pro Events recordings. You may still earn Pro Events credits in many different ways:

- “Attending” live Zoom events; attendance will be taken at the end of the event.
- Attending in-person events.
- For maximum schedule flexibility, check out the Anderson Center Canvas page for details on Create Your Own events and Lunch with a Leader.

Attendance at Pro Events will be confirmed with automatic emails to you and updated on the Pro Events web site. Please allow a week for confirmation of attendance at events held outside the SBE, such as Career Services events. If you have a question about Pro Events attendance, please email proevents@uwsp.edu.

If you have multiple courses or affiliations with Pro Events requirements, it is your responsibility to make sure you have attended enough events for each course/affiliation. If you have not attended enough events to cover all of your requirements, your attendance will be allocated to your courses in alpha-numeric order followed by any other affiliations.

After the mid-semester cut-off and the end of this semester’s events, I will receive reports confirming your attendance. You do not need to do anything else.

Hint: if you are having trouble finding events that fit your schedule, check out the “Create Your Own Event” option on the Anderson Center Canvas page (<https://www.uwsp.edu/busecon/Pages/Events/create.aspx>). You can meet with an expert from Career Advising, Financial Coaching or Academic Coaching. We also highly recommend our “Lunch with a Leader” program which allows you to set up a lunch (virtual or in-person) with a business expert to learn more about their industry, company and profession.

7. OTHER ADMINISTRATIVE DETAILS

7.1. ADA / Equal Access for Students with Disabilities

The American Disabilities Act (ADA) is a federal law requiring educational institutions to provide reasonable accommodations for students with disabilities. Links to UWSP's policies regarding ADA, nondiscrimination, and Online Accessibility (IT & Communication Accessibility) can be found at: <https://www.uwsp.edu/datc/Pages/uw-legal-policy-info.aspx>

UW-Stevens Point will modify academic program requirements as necessary to ensure that they do not discriminate against qualified applicants or students with disabilities. The modifications should not affect the substance of educational programs or compromise academic standards; nor should they intrude upon academic freedom. Examinations or other procedures used for evaluating students' academic achievements may be adapted. The results of such evaluation must demonstrate the student's achievement in the academic activity, rather than describe his/her disability.

If modifications are required due to a disability, please inform the instructor and contact the Disability and Assistive Technology Center to complete an Accommodations Request form. The Disability and Assistive Technology Center is located on the 6th Floor of Albertson Hall. For more information, call 715-346-3365, email datctr@uwsp.edu or visit: <https://www.uwsp.edu/datc/Pages/default.aspx>

7.2. Nondiscrimination Statement

No person shall be discriminated against because of race, ethnicity, color, age, religion, creed, gender, gender identity, sexuality, disability, nationality, culture, genetic information, socioeconomic status, marital status, veteran's status, or political belief or affiliation and equal opportunity and access to facilities shall be available to all. To address concerns regarding any of these issues please call 715-346-2606 or visit: <http://www.uwsp.edu/hr/Pages/Affirmative%20Action/About-EAA.aspx>

7.3. Sentry School Inclusivity Statement

It is my intent that students from diverse backgrounds and perspectives be well-served by this course, that students' learning needs be addressed both in and out of class, and that the diversity that the students bring in and out of class be viewed as a resource, strength, and benefit. Every person has a unique perspective and we learn from hearing many of them, but not all perspectives are represented in course readings. So, learning depends upon all of you contributing to the class with your own opinions and perspectives. It is my intent to present materials and activities that are respectful of diversity: gender identity, sexuality, disability, age, socioeconomic status, ethnicity, race, nationality, religion, and culture. Your suggestions are encouraged and appreciated. Please let me know ways to improve the effectiveness of the course for you personally, or for other students or student groups.

If you have experienced a bias incident (an act of conduct, speech, or expression to which a bias motive is evident as a contributing factor regardless of whether the act is criminal) at UWSP, you have the right to report it using this link. You may also contact the Dean of Students office directly at dos@uwsp.edu

For more information, call 715-346-3553 or visit: <http://www.uwsp.edu/counseling/Pages/default.aspx>

In addition to the support services provided by Student Health Service and the UWSP Counseling, there are also professional support services available to students through the Dean of Students. The Office of the Dean of Students supports the campus community by reaching out and providing resources in areas where a student may be struggling or experiencing barriers to their success. Faculty and staff are asked to be proactive, supportive, and involved in facilitating the success of our students through early detection, reporting, and intervention. As such, an instructor may contact the Office of the Dean of Students if he or she senses that a student is in need of additional support beyond what the instructor is able to provide. For more additional information, please go to <http://www.uwsp.edu/dos/Pages/default.aspx>

UWSP students may also share a concern directly if they or another member of our campus community needs support, is distressed, or exhibits concerning behavior that is interfering with the academic or personal success and/or the safety of others. Students suspected of academic misconduct will be asked to meet with the instructor to discuss the concerns. If academic misconduct is evident, procedures for determining disciplinary sanctions will be followed as outlined in UWS 14. A direct link to this policy can be found here: https://docs.legis.wisconsin.gov/code/admin_code/uws/14

7.10. Grade Reviews/Appeals

A formal grade appeal, also known as a Grade Review, can be requested in instances when the student feels that he or she was not provided a syllabus with a grading scale in a timely manner (i.e., the end of the second week of classes) and/or the instructor did not stick with the grading scale published in the syllabus. Questions of whether or not the instructor appropriately graded one or more of the course assignments, quizzes, exams, etc. are not matters to be decided by a formal grade appeal, but rather should be taken up with the instructor directly. Information on grade reviews can be found in the University Handbook, Chapter 7, Section 5. A link to the university's policies on non-academic misconduct can be found at:
<https://www.uwsp.edu/acadaff/Pages/gradeReview.aspx>

7.11. Non-Academic Misconduct

Information on non-academic misconduct can be found in Chapters 17 and 18 of the Student Rights and Responsibilities Document. A link to the university's policies on non-academic misconduct can be found at: <https://www.uwsp.edu/dos/Pages/stu-conduct.aspx>.

7.12. Confidentiality

Under FERPA, students cannot remain anonymous in a class. Students are permitted to know who else is in their class.

Learning requires risk-taking and sharing ideas. Please keep your classmates' ideas and experiences confidential outside the classroom unless permission has been granted to share them.

This course may require students to post their work online using applications or services that have not been approved by UW-system. In this situation, the students work will only be viewable only by his or her classmates. None of the work submitted online will be shared publicly. Some

- Use secure versions of websites whenever possible (HTTPS instead of HTTP)
- Have updated antivirus software installed on your devices

Additional resources regarding information security at UWSP can be found at: <https://www.uwsp.edu/infosecurity/Pages/default.aspx>.

It is important for students to understand that faculty are required to report any incidents of maltreatment, discrimination, self-harm, or sexual violence they become aware of, even if those incidents occurred in the past, off campus, or are disclosed as part of a class assignment. This does not mean an investigation will occur if the student does not want that, but it does allow the university to provide resources to help the student continue to be successful.
