CNMT 110, Section 1 - Fall 2019 Syllabus

Instructor:	Kevin Schoenecker	Office:	SCI D349
Office Hours:	M, T, W, R, 1–1:50	Phone:	346-2762
	or by arrangement	email:	kschoene@uwsp.edu

Class Meetings: T, R 10:00–11:50, SCI B238.

Catalog Description: Introduction to object-oriented programming paradigm; definition and use of classes; fundamentals of object-oriented design; development of object-oriented programming language principles; coding in a current object-oriented programming language.

Text: Gaddis, Tony. *Starting Out With Java: Early Objects.* 5th ed. Upper Saddle River, NJ: Pearson Education, 2015. ISBN: 9780133776744, available from UWSP Text Rental. Topics mostly selected from Chapters 1–11 of the textbook with possible supplemental materials.

Prerequisites: CNMT 100

Course Objectives:

- Know basic programming constructs such as loops, methods, assignments, operators.

- Be able to use object-oriented constructs such as objects, classes, inheritance, and polymorphism.

- Be able to apply write, compile, and execute programs.

Help: Ask questions as they arise. Come to see me before or after class, stop by during my office hours, or ask me for other times if I am available.

Policies: UW-Stevens Point values a safe, honest, respectful, and inviting learning environment. In order to ensure that each student has the opportunity to succeed, a set of expectations for all students and instructors have been developed. This set of expectations is known as the Rights and Responsibilities document, and it is intended to help establish a positive living and learning environment at UWSP. Check here for more information: `https://www.uwsp.edu/dos/Pages/Student-Conduct.aspx`

Academic Integrity: Academic integrity is central to the mission of higher education in general and UWSP in particular. Academic dishonesty (cheating, plagiarism, etc.) is taken very seriously. For more information, see the UWSP "Student Academic Standards and Disciplinary Procedures" section of the Rights and Responsibilities document, Chapter 14, which can be accessed here: `https://www.uwsp.edu/dos/Pages/Student-Conduct.aspx`

Disability Accommodations: The Americans with Disabilities Act (ADA) is a federal law requiring educational institutions to provide reasonable accommodations for students with disabilities. If you have a disability and require classroom and/or exam accommodations, please register with the Disability and Assistive Technology Center and then contact me at the beginning of the course. I am happy to help in any way that I can. For more information, please visit the Disability and Assistive Technology Center, located on the 6th floor of the Albertson Hall (the Library). You can also find more information here: `https://www.uwsp.edu/datc/Pages/default.aspx`

Grading:

Attendance and Participation	5%
Homework Assignments and in class work	35%
Quizzes	20%
Midterm Exam	20%
Final Exam (Comprehensive)	20%

Grades: Here is the percentage with minimum grade you will earn.

93%	A	90%	A−	87%	B+	83%	B	80%	B−	77%	C+
73%	C	70%	C−	67%	D+	60%	D				

If you miss more than 3 meeting throughout the semester your attendance and participations may be zero.

Other Important Notes: I reserve the right to exercise discretion in raising a student's grade if the final weighted average does not appear to reflect the quality of a student's work (for example, because of one low exam score early in the course). I will not use discretionary judgments to lower a student's final grade. The weighting of the scores may change if it results in a higher percentage for the student, e.g. drop lowest quiz. Do not count on this as it may not happen.

Extra credit opportunities may be given throughout the semester. You should not count on it though since there may be none.

If you miss a test or quiz for an approved reason (sickness, family emergency, UWSP travel, etc.) you must contact me before the event if possible or as soon as possible otherwise and get makeup arrangements if necessary.

The course handouts and lectures are the property of the instructor, and may not be copied, recorded (including, but not limited to audio, or video recording), or redistributed anywhere including websites without the instructor's permission.

Final Exam: Wednesday, December 18, 2019 from 12:30 p.m. to 2:30 p.m..
