Scheduling

Please keep the above time periods free. Check the diagnostic schedule (Red folder) frequently.

Team Organization

All members will play an active role in your diagnostic assignments. All team members are required to review files, prepare for the assessment, record and interpret data, score tests, analyze findings, determine recommendations and create written reports.

Weekly Meeting

Required for discussing current and future diagnostic assignments. Anticipate an hour meeting length.

Diagnostic Reports

Reports will be the responsibility of the entire team and completed by the date of the subsequent diagnostic case as applicable. Maintain a high degree of professionalism within the report as it reflects on our clinic, yourself and your supervisor. Revisions will be required as needed.

Clock Hours

Keep track of the number and type of clock hours obtained. Include our weekly meeting and exiting meetings with parents, caregivers as “staffing hours”.

Professionalism

Much of the success achieved in the field of communicative disorders can be attributed to the nature of the relationship between the patient, family members and caregivers with the practitioner. Your preparedness, organization, attire and demeanor significantly affect this relationship.

Room and Equipment

The team is responsible for video recording the diagnostic evaluation, reserving required equipment and obtaining supplies prior to the beginning of the evaluation. Please clean and sanitize the room, supplies and equipment as needed.

Professional presentation experience

The team will present the issues relating to one of your diagnostic cases to an audience of students and faculty members.

Policies

Infection Control and Universal Precautions – Please refer to the Center’s infection control Policy and Procedures.

Confidentiality – Please refer to the Center’s policies and procedures regarding electronic information, client records and audio/video recording.

Accommodations: Please discuss during the first week any accommodations required for a documented disability.

Grading

Your final grade will reflect your clinical competence, documentation skills, professional conduct and improving levels of diagnostic decision-making abilities.
