Clinical experience performing electronystagmography (ENG) and videonystagmography (VNG) examination and analyzing results. Familiarity with rotational and posturography tests and various treatment techniques.

Prerequisites: ComD: 850, 852.

Course Objectives/Learning Outcomes

1. Students will demonstrate knowledge of anatomy and physiology related to vestibular and balance function.
2. Students will demonstrate understanding of assessment purpose and techniques, relation of assessments to anatomy, physiology, and function.
3. Students will demonstrate understanding of selecting appropriate management recommendations and techniques related to assessments and balance function.

REGULAR AND SUBSTANTIVE STUDENT-INSTRUCTOR INTERACTION

Instructor will engage with students via direct instruction, via feedback on student work, and by providing information about the course content. The instructor will regularly interact with students at scheduled class times and additionally as requested during office hours. This interaction is completed at a minimum of twice per week. Class meetings will include instructor presentations, discussions, exams, skill development exercises, and in-class small-group work.

This class meets for two, 75-minute class periods each week over the Fall semester and carries the expectation that students will work on course learning activities (reading, writing, studying, etc.) for about 3 hours out of the classroom for every class period. This syllabus includes more information about meeting times and expectations for student work.

KASA/CFCC 2020 Standards

A17/A18/B1-Students in this course will demonstrate competency by obtaining a passing grade on three exams.

C14-Students in this course will demonstrate competency by obtaining a passing grade on the final examination, as well as passing grade on the VEMP assignment.

C17/C18/C19-Students in this course will demonstrate competency through multiple assignments and obtaining a passing grade on three exams.

E26-Students will demonstrate competency by obtaining a passing grade on the final exam.

Course Structure

Class Meetings

Students will meet twice per week for approximately 75 minutes each day. Classes may consist of lectures, student presentations, discussions, in-class assessments, or other activities. Students are expected to attend class prepared, having completed the assigned reading, and to actively participate in discussions.

Refer to the course schedule. This schedule is tentative and subject to change. Any changes will be announced in class, by email, or on Canvas.

Late assignments/make-up exams:

Any missed assignments/exams (e.g., due to illness, family emergency on day of exam), may or may not be made up, at the discretion of the instructor. Advance notification, if possible, should be given.

Academic Conduct

You are responsible for keeping track of points earned on assessments in case there is a discrepancy between your records and the instructor's records. All discrepancies must be brought to the attention of the instructor by the time of the final examination.

Please refer to the Division of Student Affairs for a description of your rights and responsibilities:

Academic Misconduct

Academic misconduct will not be tolerated, and the UWSP Student Misconduct procedures will be followed for any instances of academic misconduct.

Other General Policies

Accommodation for Religious Beliefs:

I will accommodate religious beliefs according to UWS 22.03 if you notify me within the first 3 weeks of the semester regarding specific dates with which you have conflicts.

Accommodation for disability or special learning needs:

If any student has a documented disability and requires accommodations in meeting these requirements, please see me as early as possible in the semester to discuss accommodations. Please note that I cannot apply accommodations retroactively to a class requirement that you've already completed. Thus, if you are unsure whether you need an accommodation, it is best to discuss the possibility with me beforehand, and we can then decide the best way to proceed.

Regarding the Use of On-Line/Electronic Means to Hand in Assignments:

This course will utilize Canvas. Any known problems with the Canvas system (e.g., if the system is down) will be acknowledged and addressed if/as these problems arise. However, problems with Canvas or other computer problems will not be recognized as a valid reason for not turning in other assignments by the assigned date/time. For example, a computer crash is not an acceptable reason for not turning in your assignment. If computer problems persist, you may turn in a paper copy to the instructor, or to the instructor's mailbox in CPS, or email.

Plan and be organized to minimize computer difficulties.

Save your work early & often, and back it up.

UWSP Information Technology has a help desk, <http://www.uwsp.edu/infotech/Pages/default.aspx>, and can be reached by phone at 715-346-4357.

Regarding the Use of Computers/Tablets & Assorted Electronics/Devices During Class:

In general, computers/tablets may be used as note-taking devices. However, if this privilege is abused (e.g., g-chat, other assorted non-class activities, or if these devices become a distraction to students and/or the instructor), this privilege may be revoked at any time by the instructor. Phones are expected to be off/silent and not used during class! If you are using any other sort of electronics/device, check with the instructor regarding the policy.

Professionalism:

This class is part of your training for your professional career. Professional behavior and attitude are expected. This includes, but is not limited to, respect and tolerance of others, and acting responsibly and with integrity.

Commitment to Inclusion and Equity

I would like to build a learning environment for students that supports different thoughts, perspectives, and experiences, and honors your identities (including race, gender, class, sexuality, religion, ability, etc.). I also understand that the current crisis of COVID, economic disparity, and health concerns could impact the conditions necessary for you to succeed. My commitment is to be there for you and help you meet the learning objectives of this course. If you feel like your performance in the class is being impacted by your experiences outside of class, please do not hesitate to come and talk with me. I want to be a resource for you!

The University of Wisconsin-Stevens Point recognizes that this is a difficult time which may be filled with uncertainty as we move forward with the academic year. Your safety, health, and well-being, as well as that of our faculty and staff are our primary concern and we want to be able to support you in any way that we can.

The University understands that at this time you may be facing some obstacles that would make it difficult to meet your academic goals. Please use the Student Resources page on the UWSP Coronavirus (COVID-19) website for information and resources on basic needs such as housing, food, financial aid, and medical and mental health. The webpage also offers information on official University communications, access to technology, and student services.

You are not alone, and together we will navigate these extraordinary and difficult times.

Revised from Marquette Raynor Memorial Libraries

Please communicate any other concerns or accommodation requests to the instructor.
