

EDUC 309: Methods & Materials for Teaching Reading II Syllabus

3-Credit Hours

309-02: Tuesday and Thursday 8:00-9:15 CPS 326/Washington Elementary

309-03: Monday and Wednesday 8:00-9:15 CPS 228/Washington Elementary

School of Education Mission

The School of Education develops highly qualified professional educators and leaders who honor the uniqueness of all learners and actively demonstrate the knowledge, skills, and dispositions to positively impact our diverse world for a sustainable future.

Instructor Information & Office Hours

Instructor: Professor Jacquelyn Sernau

Office: 460 CPS Bldg.

Email: jsernau@uwsp.edu

Office hours: 9:30-10:30 Monday, Tuesday, Wednesday, and Thursday *All other meetings by appointment*

Communicating with your Instructor

Students should check their email regularly and respond to emails within 24-48 hours. Students are expected to use their UWSP email for communication with the instructor and/or staff. The best way to reach your instructor is by email. When emailing the instructor, students should include their full name, student identification number, course name, section number, and complete explanation or question. Please include the entire thread of an ongoing email conversation so that your instructor can recall the history of your issue without searching for other emails you have sent.

Course Description

All students deserve the opportunity for high-quality, engaging, and meaningful instruction within a respectful and empowering learning environment that fosters their self-worth and literacy advancement. Literacy refers to reading, writing, speaking, listening, and viewing experiences and is influenced by a student's cultural background, individual preferences, and interests (International Literacy Association, n.d.; Makin & Spedding, 2015; Rohde, 2015; Wisconsin Department of Public Instruction, 2020). EDUC 309 is designed for pre-service teachers to investigate and apply best practices and research when planning and facilitating literacy assessment, instruction, and curriculum to advance the literacy learning outcomes for all students. Within hands-on and reflective opportunities, students will operationalize literacy theories and frameworks that will ultimately be manifested within their defined philosophy of literacy instruction at the end of the course. Furthermore, EDUC 309 aims to develop pre-service educator's confidence and competence in assessing and instructing the foundational reading skills of phonological awareness, phonics, fluency, vocabulary, and comprehension.

General Education Program Learning Outcomes

The UWSP School of Education requires adherence to the InTASC Standards below for successful completion of the education program:

- **InTASC Standard # 1 [Learner Development](#):** The teacher understands how learners grow and develop, recognizing that patterns of learning and development vary individually within and across the cognitive, linguistic, social, emotional, and physical areas, and designs and implements developmentally appropriate and challenging learning experiences.
- **InTASC Standard # 2 [Learning Differences](#):** The teacher understands individual differences and diverse cultures and communities to ensure inclusive learning environments that enable each learner to meet high standards.
- **InTASC Standard # 3 [Learning Environments](#):** The teacher works with others to create environments that support individual and collaborative learning and encourages positive social interaction, active engagement in learning, and self-motivation.
- **InTASC Standard # 4 [Content Knowledge](#):** The teacher understands the central concepts, tools of inquiry, and structures of the discipline(s) he or she teaches and creates learning experiences that make the discipline accessible and meaningful for learners to assure mastery of the content.
- **InTASC Standard # 5 [Application of Content](#):** The teacher understands how to connect concepts and use differing perspectives to engage learners in critical thinking, creativity, and collaborative problem-solving related to authentic local and global issues.
- **InTASC Standard # 6 [Assessment](#):** The teacher understands and uses multiple assessment methods to engage learners in their own growth, monitor learner progress, and guide the teacher's and learner's decision-making.
- **InTASC Standard # 7 [Planning for Instruction](#):** The teacher plans instruction that supports every student in meeting rigorous learning goals by drawing upon knowledge of content areas, curriculum, cross-disciplinary skills, and pedagogy, as well as knowledge of learners/community context.
- **InTASC Standard # 8 [Instructional Strategies](#):** The teacher understands and uses various instructional strategies to encourage learners to develop a deep understanding of content areas and their connections and build skills to apply knowledge in meaningful ways.
- **InTASC Standard # 9 [Professional Learning and Ethical Practice](#):** The teacher engages in ongoing professional learning and uses evidence to continually evaluate

their practice, particularly the effects of their choices and actions on others (learners, families, other professionals, and the community), and adapts practice to meet the needs of each learner./

- **InTASC Standard # 10 Leadership & Collaboration:** The teacher seeks appropriate leadership roles and opportunities to take responsibility for student learning, to collaborate with learners, families, colleagues, other school professionals, and community members to ensure learner growth, and to advance the profession.
-

Course Learning Outcomes

As a result of EDUC 309, pre-service educators will acquire/demonstrate the following essential knowledge, performances, and critical dispositions:

Essential Knowledge (i.e., a teacher's knowledge needed for effective practice)

- Recognize literacy as a complex process involving reading, writing, speaking, listening, and viewing. (InTASC Standard 4)
- Demonstrate content knowledge related to the five pillars of literacy. (InTASC Standards 4 & 5)
 - **Phonological Awareness**
 - Explain and provide examples of all the levels of phonological awareness.
 - Explain the relationship between phonological awareness and phonemic awareness.
 - Explain how to assess a student's phonological skills to identify, plan, and instruct reading lessons to meet individual learner's needs.
 - **Phonics**
 - Define the terms phonics, phonemes, graphemes, and the alphabetic principle.
 - Discuss the role of phonics patterns and morphology in phonics instruction.
 - Explain how to assess a student's phonics skills to identify, plan, and instruct reading lessons to meet individual learner's needs.
 - **Oral Reading Fluency**
 - Identify and define the three primary components of oral reading fluency: accuracy, speed, expression
 - Explain the correlation between oral reading fluency and comprehension.
 - Explain how to assess a student's fluency skills to identify, plan, and instruct reading lessons to meet individual learner's needs.
 - **Vocabulary**
 - Explain the relationship between vocabulary and comprehension.
 - Explain the term "word consciousness."
 - Explain how to assess vocabulary knowledge and growth to identify, plan, and instruct reading lessons to meet individual learner's needs.
 - **Comprehension**
 - Explain the differences between literal and inferential comprehension.
 - Explain how background knowledge and experiences impact comprehension.
 - Explain how to assess comprehension to identify, plan, and instruct reading lessons to meet individual learner's needs.

Performances (i.e., a teacher's practices that can be observed and assessed)

- Apply the WI ELA Standards to inform curriculum planning and develop learning targets for lessons using the gradual release of responsibility approach. (InTASC Standard 4)

- Complete assessments related to phonological awareness, phonics, vocabulary, oral reading fluency, and comprehension. (InTASC Standards 4 & 5)
- Plan and facilitate three research and/or evidence-based reading lessons (i.e., phonological awareness, phonics, vocabulary, oral reading fluency, & comprehension) related to the individual strengths, interests, funds of knowledge, preferences, and learning goals of a student. (InTASC Standards 1,2,3, 7, & 8).
- Cultivate learning environments and experiences that promote respect for and support individual differences of ethnicity, race, language, culture, gender, and ability. (InTASC Standards 1, 2,3, & 6)

Critical Dispositions (i.e., a teacher’s professional actions and commitments)

- Adjust reading lessons based on feedback and coaching. (InTASC Standard 9)
- Articulate a philosophy of teaching literacy based on research and determine best practices to advance literacy learning (InTASC Standard 9).
- Participate in reflective practices individually and with peers to improve literacy instruction (e.g., How does literacy instruction reflect research and evidence-based practices (research)? How do I articulate my philosophy of teaching reading to align with evidence and research-based practice? What instructional strategies drive and accelerate literacy learning? How are assessment, data collection, and observation linked to relevant, responsive, and respectful literacy instruction?) (InTASC Standard 9).

Evaluation/Course Requirements

Each student’s participation and performance in class will be evaluated based on the assignments outlined below.

Assignment # 1: Assessment Summary and Individualized Student Plan	Points	InTASC Standards
Pre-service teachers will: <ul style="list-style-type: none"> • Work with either an individual or small group of students to administer assessments and design data-driven literacy lessons or interventions to promote reading growth. 	30	1, 2, 6, 7, 8

Assignment # 2: FoRT Prep Module Work	Points	InTASC Standards
Pre-service teachers will: <ul style="list-style-type: none"> • Complete assigned modules in preparation for FoRT 	45	4, 9

Assignment # 3: <u>Case Study (3-5 assessments & 3 corresponding lessons)</u>	Points	InTASC Standards
<p>pre-service teachers will:</p> <ul style="list-style-type: none"> ● complete three- five reading assessments with case study focus students to assess their foundational reading skills ● identify and write a summary of the literacy strengths, needs, and instructional goals for the focus student. ● plan three literacy based on instructional goals for the student. The lessons should relate to the foundational literacy standards. 	100	3, 4, 6, 7, & 8

Assignment # 4: <u>Philosophy of Literacy Instruction (Final Exam)</u>	Points	InTASC Standards
<p>pre-service teachers will:</p> <ul style="list-style-type: none"> ● prepare a personal philosophy essay on teaching reading using practical classroom applications, course readings, and research-based theories to advance literacy learning opportunities for all children regardless of background, culture, language, and/or motivation to read. ● craft philosophies related to current teaching environments and provide the reader with an appropriate blend of practical classroom application with solid theoretical frameworks. ● submit the final paper should be a well-written and original piece (APA 7th Edition) 	50	3, 4, 6, 7, & 8

Assignment # 6: Participation (including reflections) & Professionalism	Points	InTASC Standards
<p>Pre-service teachers will:</p> <ul style="list-style-type: none"> ● participate in all course activities (10) pts for reflections ● demonstrate professionalism within their work with peers, professors, community members, and other educators. (10 points for communication expectations) 	25	

• show competency in the UWSP SOE defined dispositions. (5 points)

Pre-Clinical Experience

EDUC 309 pre-service educators must complete ten hours of embedded pre-clinical experience. Attendance is mandatory for these literacy lab experiences. You will need to make up any time that is missed. EDUC 309 students will engage in opportunities to observe, apply, and reflect on learning during a pre-clinical experience at a local school or organization as well as complete a case study. Students are asked to save all documentation and evaluations from the pre-clinical teaching experiences.

Technology Guidelines

Cell phone usage: Research supports that having visual access to a cell phone diminishes our ability to learn. Checking social media, texts, emails, and messages is unprofessional and disrespectful to our class community. Please turn off your phone during class; I will do so as well. If I notice that you are using your phone during class, I may ask you to share what you are researching or ask you to put it away. Thank you for following these guidelines, as they help create a positive learning community.

Online Learning and Collaboration Tools: This course may require posting work online that is viewable only by your classmates and instructors. None of the work submitted online will be shared publicly. Some assignments may require account creation for online programs. Your academic records (grades, student IDs, personal identification information) will not be shared

by the course instructor. Confidentiality of student work is imperative, so you should not share the work of your peers publicly without their permission. By participating in these learning activities, you are giving consent to sharing your work with others in this class, and you recognize there is a small risk of your work being shared online beyond the purposes of this course. You will receive an alternate assignment if you elect not to participate in these online assignments due to confidentiality concerns, you will receive an alternate assignment.

Inclusivity Statement

I intend that students from all diverse backgrounds and perspectives be well-served by this course, that students' learning needs be addressed both in and out of class, and that the diversity that the students bring to this class be viewed as a resource strength and benefit. I intend to present materials and activities that are respectful of diversity: gender identity, sexuality, disability, age, socioeconomic status, ethnicity, race, nationality, religion, and culture. Your suggestions are encouraged and appreciated. Please let me know ways to improve the effectiveness of the course for you personally or for other students or student groups. Suppose you have experienced a bias incident (an act of conduct, speech, or expression to which a bias motive is evident as a contributing factor regardless of whether the act is criminal) at UWSP. In that case, you have the right to report it using this [link](#). You may also contact the Dean of Students office directly at dos@uwsp.edu. I commit to doing my part by keeping myself informed on the most recent research and practices that best support inclusive learning.

Confidentiality

Learning requires risk-taking and sharing ideas. Please keep your classmates' ideas and experiences confidential outside the classroom unless permission has been granted to share them.

Attendance & Late Work

Attendance

EDUC 309 includes all required class sessions. The instructor is unable to re-teach the material to students that do not attend course sessions. Occasionally illness or other emergencies make attendance impractical or impossible. In these cases, the instructor may approve of an absence. As a result of any absence, the instructor may provide a make-up assignment and deduct participation points. The following points will be deducted from missing class (at the instructor's discretion).

- One absence: 0 points
- Two absences: 5 points
- Three absences: 10 points

- Four or more absences: automatic letter deduction (e.g., A to a B), dispositions meeting, and/or incomplete if absences continue and/or persistent tardiness.

Late Work

All EDUC 309 assignments are to be turned in on the designated dates and times. Please make arrangements with the instructor in the case of an emergency. If you cannot meet a deadline, please contact your instructor at least 48 hours in advance. Extensions may be granted at the discretion of the instructor. All late work, if allowed, is subject to point deductions at the discretion of the instructor. Furthermore, work that is submitted after the course has been completed is subject to university policies and procedures related to incompletes.

Safety & Emergency Procedures

The health and safety of our students, faculty, and staff are top priorities at UW-Stevens Point.

COVID-19 Pandemic

Please follow the UWSP policies related to keeping our community safe concerning the COVID-19 pandemic. The policy may change during the semester due to health department requirements, CDC guidelines, and local vaccination and infection rates. Students are recommended to watch their UWSP email for updates, or go here for the most updated information: <https://www.uwsp.edu/coronavirus/Pages/default.aspx>

- **Classroom Responsibilities:** Please evaluate your own health status regularly and seek appropriate medical attention to treat illness. If you are not feeling well or believe you have been exposed to COVID-19, do not come to class; email your instructor and contact Student Health Service (715-346-4646). Additional classroom responsibilities include that students should:
 - communicate their need to be absent and complete the course requirements as outlined in the syllabus.
 - maintain a minimum of six feet of physical distance from others whenever possible.
 - avoid congregating in groups before or after class; stagger your arrival and departure from the classroom, lab, or meeting room.
 - sit in the same seat every day to make contact tracing easier if that becomes necessary.
 - clean their assigned seating area.
 - maintain healthy practices inside and outside of the classroom (e.g., wash your hands/use appropriate hand sanitizer regularly and avoid touching your face).

Other Medical Emergencies

In the event of

- **a medical emergency**, call 9-1-1 or use campus phone. Offer assistance if trained and willing to do so. Guide emergency responders to the victim(s).
- **a tornado warning**, proceed to the lowest level interior room without window exposure at [list primary location for shelter closest to classroom,]. See

www.uwsp.edu/rmgt/Pages/em/procedures/other/floor-plans.aspx for floor plans showing severe weather shelters on campus. Avoid wide-span structures (gyms, pools, or large classrooms).

- **a fire alarm, calmly evacuate the building.** Meet at a designated location at least 200 yards away from the building. Notify instructor or emergency response personnel of any missing individuals.
- **an active shooter, RUN. HIDE. FIGHT.** If trapped, hide, lock doors, turn off lights, spread out, and remain quiet. Call 9-1-1 when it is safe to do so. Follow instructions of emergency responders. See UW-Stevens Point Emergency Procedures at www.uwsp.edu/rmgt/Pages/em/procedures for details on all emergency responses at UW-Stevens Point.

Equal Access for Students with Disabilities

UW-Stevens Point will modify academic program requirements as necessary to ensure that they do not discriminate against qualified applicants or students with disabilities. The modifications should not affect the substance of educational programs or compromise academic standards, nor should they intrude upon academic freedom. Examinations or other procedures used for evaluating students' academic achievements may be adapted. The results of such evaluation must demonstrate the student's achievement in the academic activity rather than describe their disability. *If modifications are required due to a disability, please inform the instructor and contact the [Disability and Assistive Technology Center](#) to complete an Accommodations Request form. Phone: 346-3365 or Room 609 Albertson Hall.*

You can contact the Service Desk via email at techhelp@uwsp.edu or at (715) 346-4357 (HELP) or visit this [link for more information](#).

Care Team

The University of Wisconsin-Stevens Point is committed to the safety and success of all students. The Office of the Dean of Students supports the campus community by reaching out and providing resources in areas where a student may be struggling or experiencing barriers to their success. Faculty and staff are asked to be proactive, supportive, and involved in facilitating the success of our students through early detection, reporting, and intervention. As your instructor, I may contact the Office of the Dean of Students if I sense you require additional support that I may not be able to provide individually. You may also share a concern if you or another member of our campus community needs support, is distressed, or exhibits concerning behavior that is interfering with the academic or personal success or the safety of others by reporting [here](#).

Academic Honesty

Academic Integrity is an expectation of each UW-Stevens Point student. Campus community members are responsible for fostering and upholding an environment where student learning is fair, just, and honest. Through your studies as a student, it is essential to exhibit the highest level of personal honesty and respect for the intellectual property of others. Academic misconduct is unacceptable. It compromises and disrespects the integrity of our university and those who study here. To maintain academic integrity, a student must only claim authentic work solely of their own, providing correct citations and credit to others as needed. Cheating, fabrication, plagiarism, unauthorized collaboration, and/or helping others commit these acts are examples of academic misconduct, which can result in disciplinary action. Failure to understand what constitutes academic misconduct does not exempt responsibility from engaging in it.

UWSP 14.03 Academic misconduct subject to disciplinary action.

- (1) Academic misconduct is an act in which a student:
 - (a) Seeks to claim credit for the work or efforts of another without authorization or citation;
 - (b) Uses unauthorized materials or fabricated data in any academic exercise;
 - (c) Forges or falsifies academic documents or records;
 - (d) Intentionally impedes or damages the academic work of others;
 - (e) Engages in conduct aimed at making false representation of a student's academic performance; or
 - (f) Assists other students in any of these acts.

- (2) Examples of academic misconduct include, but are not limited to:
 - Cheating on an examination
 - Collaborating with others in work to be presented, contrary to the stated rules of the course

- Submitting a paper or assignment as one's work when a part or all of the paper or assignment is the work of another
- Submitting a paper or assignment that contains ideas or research of others without appropriately identifying the sources of those ideas
- Stealing examinations or course materials
- Submitting, if contrary to the rules of a course, work previously presented in another course
- Tampering with the laboratory experiment or computer program of another student
- Knowingly and intentionally assisting another student in any of the above, including assistance in an arrangement whereby any work, classroom performance, examination, or other activity is submitted or performed by a person other than the student under whose name the work is submitted or performed.

Students suspected of academic misconduct will be asked to meet with the instructor to discuss the concerns. If academic misconduct is evident, procedures for determining disciplinary sanctions will be followed as outlined in the [University System Administrative Code, Chapter 14](#).

Other Campus Policies & Helpful Information

FERPA

The [Family Educational Rights and Privacy Act](#) (FERPA) provides students with a right to protect, review, and correct their student records. Staff of the university with a clear *educational need to know* may also have access to certain student records. Exceptions to the law include parental notification in cases of alcohol or drug use and in case of a health or safety concern. FERPA also permits a school to disclose personally identifiable information from a student's education records, without consent, to another school in which the student seeks or intends to enroll.

Title IX

UW-Stevens Point is committed to fostering a safe, productive learning environment. Title IX and institutional policy prohibit discrimination on the basis of sex, which includes harassment, domestic and dating violence, sexual assault, and stalking. If you choose to disclose information about having survived sexual violence, including harassment, rape, sexual assault, dating violence, domestic violence, or stalking, and specify that this violence occurred while a student at UWSP, federal and state laws mandate that I, as your instructor, notify the Title IX Coordinator/Office of the Dean of Students. Please see the [Title IX page](#) for more information for guidance on making confidential reports of misconduct or interpersonal violence, as well as campus and community resources available to students.

Clery Act

The US Department of Education requires universities to disclose and publish campus crime

statistics, security information, and fire safety information annually. Statistics for the three previous calendar years and policy statements are released on or before October 1st in our [Annual Security Report](#). Another requirement of the Clery Act, is that the campus community must be given timely warnings of ongoing safety threats and immediate/emergency notifications. Please see our Jeanne Clery Act page for more information about when and how these notices will be sent out.

Drug-Free Schools and Communities Act

The Drug-Free Schools and Communities Act (DFSCA) requires higher education institutions to establish policies that address unlawful possession, use, or distribution of alcohol and illicit drugs. The DFSCA also requires the establishment of a drug and alcohol prevention program. The Center for Prevention lists information about alcohol and drugs, their effects, and the legal consequences if found in possession of these substances. [Center for Prevention – DFSCA](#)

Copyright infringement

This is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act. Each year students violate these laws and campus policies, putting themselves at risk of federal prosecution. For more information about what to expect if you are caught or to take preventive measures to keep your computing device clean, visit our [copyright page](#).

Voter Registration Information

- **Register:** Did you know you can register to vote and check your voter registration status at www.myvote.wi.gov?
- **Vote:** In Wisconsin, you can vote absentee - or vote from home - in any election. You can request your absentee ballot at www.myvote.wi.gov (select "Vote Absentee" on the navigation page).
- **Make a Difference:** Sign up to work the polls on election day by contacting your local city clerk's office (find your clerk at <https://myvote.wi.gov/en-us/PollWorker>).
- For more information on registration and voting procedure, visit your campus resource page at <https://linktr.ee/UWSPGOTV> or www.myvote.wi.gov
