ACADEMIC CONDUCT

This course is part of the UW-Stevens Point academic community, an academic community that is bound together by the traditions and practice of scholarship. Honest intellectual work – on quizzes and written assignments - are essential to the success of this community of scholars. Using classmates' responses to answer exam questions or disguising words written by others as your own undermines the trust and respect on which our course depends. The work in this course is challenging and will demand a good deal from each of you. I have every confidence that each of you can succeed. Doing your own work will enhance your sense of accomplishment when the course ends.

Additionally, the online classroom environment is a unique opportunity for students to share ideas, opinions, discuss classroom and course content. As each student is entitled to contribute to class, specific expectations are necessary to ensure a thriving classroom environment.

For additional information, please refer to the statements on Academic Standards as outlined by the Office of Student Rights and Responsibilities. You can read the full text of Chapter 14 on "Student Academic Standards & Disciplinary Procedures" at <https://www3.uwsp.edu/dos/Documents/UWSP14-Final2019.pdf>

BUILD RAPPORT

If you find that you have trouble keeping up with assignments or other aspects of the course, make sure you let your instructor know as early as possible. As you will find, building rapport and effective relationships are key to becoming an effective professional. Make sure you are proactive in informing your instructor when difficulties arise during the course so that I can help you find a solution.

CLASS PARTICIPATION VIA CANVAS

All course material is accessible in Canvas. Canvas can be accessed via a launch portal at www.uwsp.edu/canvas using your campus login and password. Help in Canvas is available at the bottom of the launch portal, and through the "Help" menu within Canvas. A student orientation / training course is available for self-registration at <https://uws.instructure.com/enroll/FNRAL8>.

Students are expected to access course material in a timely manner and complete assignments by the posted due date. Technology can be a challenge, especially in rural areas. Be sure you review the [Online Learning Resources](#) and have access to a stable internet connection (don't rely on cellular). If you have any questions about the capabilities of your technology, contact [IT Service Desk](#) (715-346-4357; techhelp@uwsp.edu).

Stay connected with the course by turning on email/text notifications. Go to the Account tab at the far left, hit settings to enter your email and cell phone in "ways to contact" (top right corner) and then hit notifications to tell Canvas to alert you of due dates, announcements, grades posted, etc. Then, click Notifications on the far left, choose which course details you want to get reminders about and when you get the alerts.

ACADEMIC COACHING

Students can schedule an appointment with an Academic Coach over the summer by using Navigate Student app or Navigate desktop: <https://uwsp.navigate.eab.com/> At the appointments, students can learn more about getting organized for an online class, study skills, note-taking, and motivation. Coaches may also be available as a "study buddy" to quiz students with their materials for test preparation. Note: this is not tutoring for course content. Appointments are typically 30 minutes in length and are available Monday – Thursday throughout the summer.

ASSIGNMENTS

All assignments will be submitted in CANVAS by Sunday evening at 11:59 p.m. of the due date. Written work must be **word processed** using a software program that is compatible with the default UWSP software Microsoft Word. Write in complete sentences with proper grammar, spelling, and punctuation or points will be deducted. Please read the assignment outlines posted on CANVAS carefully. Do not email assignments unless it has been approved by the instructor. You may work ahead but you should not fall behind. Since this course is typically taught over 8 weeks and you are taking it over 4 weeks, you will be working on 2 units each week.

Except for the last assignment (Wellness journals and reflections – must be submitted on time), there is one free pass (see p.4) for the submission of one late assignment (up to 2 days late, **once** for this class).

Once the one-time free pass is used, assignments submitted beyond the due date or time will have a 10% deduction and for each day it is late.

QUIZZES

There are 4 short quizzes. **ONLY ONE (1)** attempt per quiz will be provided. Each quiz is timed at 30-60 seconds per question and the number of questions may vary between 8-12 questions depending on the unit. This means students must be well prepared BEFORE starting the quiz. No retakes will be allowed for students who do not plan appropriately and fail to take a quiz by the deadline or are timed out before completing the quiz. If you wish to view the correct answers, they will be shown on the Tuesday following the quiz due date from 4:00 – 11:59 p.m.

Quizzes are available between **Thursday to Sunday from 8:00 a.m. -11:59 pm of that week**. Without prior notification, **a missed quiz CANNOT be made up**. **While taking a quiz on Canvas, know that you must remain on the quiz page as Canvas tracks visits to other pages and records your activity.**

SPECIAL ACCOMMODATIONS

Within the first week of class, students requiring special accommodations and/or program access should arrange an appointment with UWSP Disability Resource Center (DRC), <https://www.uwsp.edu/disability-resource-center/>, telephone (715)346-3365. After the assessment, please provide eligibility documentation to me to request appropriate accommodation.

VISIT THE TLC STUDY HUB IN DUC 205 (STEVENS POINT CAMPUS)

This is a dedicated study space for students who may want a “classroom” experience to make them feel more accountable while taking an online class. It can be helpful for students who find their own space (dorm or apartment) distracting. This space will be managed by a professional Academic Coach, who can provide study techniques, organization, and organization tips for an online class. Coaches may also be available as a “study buddy” to quiz students with their materials for test preparation. Students should bring their laptops. Study materials (flashcards, post-its, etc.) are available to students at no charge. Note: this is not tutoring for course content.

CARE TEAM

The University of Wisconsin-Stevens Point is committed to the safety and success of all students. The Office of the Dean of Students supports the campus community by reaching out and providing resources in areas where a student may be struggling or experiencing barriers to their success. Faculty and staff are asked to be proactive, supportive, and involved in facilitating the success of our students through early detection, reporting, and intervention. As your instructor, I may contact the Office of the Dean of Students if I sense you are in need of additional support which individually, I may not be able to provide. ADDITIONAL CAMPUS POLICIES

CLERY ACT

The US Department of Education requires universities to disclose and publish campus crime statistics, security information, and fire safety information annually. Statistics for the three previous calendar years and policy statements are released on or before October 1st in our [Annual Security Report](#). Another requirement of the Clery Act is that the campus community must be given timely warnings of ongoing safety threats and immediate/emergency notifications. For more information about when and how these notices will be sent out, please see our [Jeanne Clery Act](#) page.

FERPA

The Family Educational Rights and Privacy Act (FERPA) provides students with a right to protect, review, and correct their student records. Staff of the university with a clear educational need to know may also have access to certain student records. Exceptions to the law include parental notification in cases of alcohol or drug use, and in case of a health or safety concern. FERPA also permits a school to disclose personally identifiable information from a student's education records, without consent, to another school in which the student seeks or intends to enroll.

RELIGIOUS BELIEFS

Relief from any academic requirement due to religious beliefs will be accommodated according to UWS 22.03, with notification within the first week of class.

REPORTING INCIDENTS OF BIAS/HATE

It is my intent that students from all diverse backgrounds and perspectives be well-served by this course, that students' learning needs be addressed both in and out of class, and that the diversity that the students bring to this class be viewed as a resource, strength, and benefit. It is my intent to present materials and activities that are respectful of diversity: gender identity, sexuality, disability, age, socioeconomic status, ethnicity, race, nationality, religion, and culture. Your suggestions are encouraged and appreciated. Please let me know ways to improve the effectiveness of the course for you personally, or for other students or student groups.

If you have experienced a bias incident (an act of conduct, speech, or expression to which a bias motive is evident as a contributing factor regardless of whether the act is criminal) at UWSP, you have the right to report it: <https://www.uwsp.edu/dos/Pages/Anonymous-Report.aspx>.

You may also contact the Office of the Dean of Students directly at dos@uwsp.edu. Diversity and College Access is available for resources and support of all students: <https://www.uwsp.edu/dca/Pages/default.aspx>.
