Course Grades

A = 90 – 100 %

B = 80 – 89 %

C = 70 – 79 %

F = 0 – 69 %

Grades based on the following:

1. **20% of grade:** Homework from MyOpenMath on Canvas
 - a. Homework schedule found in canvas under "Start Here"
 - b. 1 point for each question (3 chances for each question, but may earn wrong questions points back by asking questions on them.)
 - c. **Always due on the day of the exam for that chapter.**
2. **20% of grade:** Quizzes on Canvas – Quiz for each section covered per day
 - a. 1 point for each question (May earn points by asking questions on the wrong ones.)
 - b. **Always due on Sunday of that week.**
3. **50% of grade:** Exams (either in person or online) 50 – 100 points each
 - a. **To be taken on the scheduled days.**
4. **10% of grades:** Final exam (either in person or online) 50 – 100 points
 - a. **To be taken on from 5 – 7 pm**

No book necessary since homework is found on MyOpenMath

Disability

If you have a disability, please contact Library to utilize your accommodations needed to succeed in this course. If you need accommodations, please contact Disability Resource Center at drc@uwsp.edu or 715-346-4023

Educational Integrity

For those online, you are expected to do your work on your own. No other person helping you and certainly not using any math programs to help you.
