### Class Expectations:

- Coming to class on a regular basis; we cover a lot in 2 hrs. We will be practicing math from each lecture.
- Doing the book homework. It is not graded, but doing math on your own will help make the exams go well.
- Taking the quizzes on Wednesdays. If you miss, you may make it up on the next Monday of class only.
- Be there on scheduled exam days. If there are extenuating circumstances, you need to communicate that with me to make up the exam.
- Academic Integrity always.
