The DUO Center, located in room 224 on the Wausau campus is open to first-generation students, Pell Grant-eligible students, and students with disabilities on the Wausau campus. It provides students with access to professional tutors in Math and writing. DUO staff members meet one-on-one with students to answer questions, prepare for assignments/exams/papers, and simply as a resource to students. Students can meet with the tutor/s regularly or on an as-needed basis – in other words, they support individual students in individualized ways. To learn more about DUO, contact your adviser or stop by the DUO Center
