This class is designed to help you through your math course. There is no extra work associated with this course.

Therefore, the grading is based on 2 things.

1. Homework in your Math 090 class done in a reasonable fashion.
2. Attendance in Math 099 class.

Face coverings are required for this in-person class.

There is room to social distance as necessary.

Please communicate with me if any special circumstances arise during the semester and it will be worked out on an individual basis.
