

WDMD 211 Web Design/Development II
Spring Semester 2017

University of Wisconsin-Stevens Point

Instructor: Dr. David Gibbs
Section 1: MW 12:00 – 1:15 CCC 324
Section 2: TR 1:00 – 2:15 SCI B348
Office: SCI B227
Office Phone: 346-4966
Office Hours: TR 12-12:50, by appointment, electronic via Skype (username: *prof.gibbs*)
e-mail: David.Gibbs@uwsp.edu or dgibbs@uwsp.edu

Course Description (from the University catalog): WDMD 211. Web Design and Development II. 3 cr. Concepts of client-side programming of Web applications. Introduction to one or more Web-centric languages including JavaScript and XML. Prereq: CNMT 210.

Required Books

TEXT RENTAL:

Ruvalcaba	<i>1e Murachs Javascript and JQuery</i>	978-1-890774-70-7
McFarland	<i>3e Javascript & JQuery: The Missing Manual</i>	978-1-4919-4707-4

Course Components

The course consists of the following activities and assessments.

<i>Activity</i>	<i>Assessment</i>
1. Attending and participating in class	Daily attendance sign-in*
2. Reading the textbooks, completing programming tasks	Submitted for grading
3. Completing the electronic quizzes (D2L)	Immediate scoring in D2L
4. Midterm Exam	
5. Final Exam	

* Please note that to obtain full credit for a class day's attendance you must be present for the entire class period. No partial credit awarded. Please do not show up 20 minutes late and ask to sign in. No exceptions without prior approval, meaning you must discuss it with the instructor BEFORE the partial or full absence occurs.

Course Grade

1. Attendance and participation	5%
2. Programming & Tasks	30%
3. D2L quizzes	15%
4. Midterm Exam	25%
5. Final exam	25%

Assessment

1. *Attendance*
 - a. Taken daily via the sign-in sheet.
2. *Programming & Tasks*

- a. Must be completed and printed/submitted by the due date; students may be randomly called on for sharing with the class.

3. Quizzes

- a. Online quizzes (via D2L) from the textbook chapters will assess your learning of the programming concepts. The quizzes are open book, open notes, i.e., taken on your own time. They will be timed, however, so you should only take them after completing the work for the chapter. You should also pay close attention to the deadline for completing each quiz as extensions will not be permitted. You will be given two opportunities to take each quiz. You must achieve at least 50% on the first attempt to earn the second attempt. Quizzes will expire midnight on Sundays, so be sure to check D2L!
- b. The lowest quiz score will be dropped from the quiz component of the final grade, so if you miss a quiz, resolve to not miss another one!

4. Midterm Exam

- a. There will be one midterm examination in this course, occurring in approximately the 8th week (tentative date is Wed/Thurs March 15/16).

5. Final Exam

- a. The final exam is

Monday, May 15, 14:45-16:45 (Section 1)
Thursday, May 18, 08:00-10:00 (Section 2)
- b. Please immediately put this date on your calendar. If you cannot attend at this time you should drop the course.
- c. An early or makeup midterm or final exam will not be given unless there are extraordinary circumstances, as determined by the instructor. You MUST contact the instructor BEFORE the examination in order to be considered. Failing to do so will result in receiving a zero.

Grading Cut-Off Percentages

		A	93%	A-	90%
B+	87%	B	83%	B-	80%
C+	77%	C	73%	C-	70%
D+	67%	D	63%	F	below 63%

Classroom Decorum

Please turn off cell phones before entering the classroom. Please do not plan to use your laptop, ipod, cellular phone, or other electronic device during the class lecture meetings. (Obviously you may wish to use your laptop during lab sessions.) If you would like to record (video or audio) any aspect of this course, please seek prior permission from the instructor. If you take out your laptop or phone or texting device I will ask you to leave, just as I would ask you to leave if you insisted upon chatting with someone inside the classroom. You (or your benefactors) have paid a goodly amount of money to attend class; why wouldn't you want to maximize your time there?

The Legal Stuff

Please examine the "University of Wisconsin – Stevens Point Community Bill of Rights and Responsibilities found at <http://www.uwsp.edu/dos/Pages/Information%20for%20Students.aspx>.

In addition we are all bound by Chapter 14 of the UW System Administrative Code – that which governs "STUDENT ACADEMIC STANDARDS AND DISCIPLINARY PROCEDURES." It can be found at

Academic Dishonesty Policy

Students may discuss assignments with each other and may seek help from the instructor. However, since assignment scores count as a part of the final grade, students must limit the amount of outside help they receive. Students must not copy any part of another person's work or break an assignment into a team project (unless directed to do so by the instructor). If there is ANY doubt in your mind about the amount of help given/received you should immediately consult with your instructor BEFORE submitting the assignment.

Any student who submits an assignment or exam which is in whole or in part the work of another person and any student (whether enrolled in the course or not) who so assists another student will be prosecuted under Chapter UWSP 14 of the Rules of the Board of Regents of the University of Wisconsin System, Wisconsin Administrative Code. Depending upon the severity of the infraction, the consequences of such an act range from a verbal reprimand to an "F" in the course to expulsion from the University.

Assignments

In order to be accepted for grading, assignments must adhere to identified standards. Assignments that fail to do so will be assigned a score of zero or will be returned for revision. If returned for revision they will be considered late unless otherwise specified. When specified, assignments are due at the *beginning of class* on the date identified. (This means at the "top of the hour.") Assignments turned in on the date due but after the beginning of class will be assessed a 10% penalty. A 20% penalty applies for each day late, so that no credit will be given for assignments more than one week late. Missing assignments will receive a grade of 0. No assignments will be accepted during final exam week, unless otherwise specified. The maximum number of points a late assignment can receive after "on time" assignments have been graded and returned shall not exceed the minimum number of points awarded to any "on time" assignment.

Emergency Preparedness

- In the event of a medical emergency, call 911 or use red emergency phone located outside of the Public Science Hall Lab (B238). Offer assistance if trained and willing to do so. Guide emergency responders to victim.
- In the event of a tornado warning, proceed to the lowest level interior room without window exposure at SCIENCE A224.
- In the event of a fire alarm, evacuate the building in a calm manner. Meet near the grassy area near Lot X. Notify instructor or emergency command personnel of any missing individuals.
- Active Shooter – Run/Escape, Hide, Fight. If trapped hide, lock doors, turn off lights, spread out and remain quiet. Follow instructions of emergency responders.

See UW-Stevens Point Emergency Management Plan at www.uwsp.edu/rmgt for details on all emergency response at UW-Stevens Point.
