Subject: Campus Announcements - Budget update # 22 Funding restored, forum in August

Dear faculty, staff and students,

I am pleased to update you on two budget items.

- The Legislative Fiscal Bureau confirms \$84,500 has been restored in the 2015-17 state budget for the Paper Science and Engineering Department's paper machine operator.
- The UW System Budget office confirms \$101,600 has been restored for environmental education program grants in FY16.

We are grateful these funds have been restored. We await clarification yet on funding for the Becoming an Outdoors Woman program.

Please mark your calendar for a budget forum Wednesday, Aug. 5, at 1 p.m. in the Alumni Room of the Dreyfus University Center.

Sincerely,

Chancellor Bernie Patterson

Campus Announcements is compiled and published by University Relations and Communications.
