Wednesday, April 1, 2020

1:00 pm – 4:00 pm

Countywide and Regional Lake and River Groups: Coordination,
Communication, and Capacity

This session will be recorded.

**WISCONSIN
LAKES**

Countywide and Regional Lake and River Groups:

Coordination, Communication, and Capacity

Discussion led by by Michael Engleson
Executive Director, Wisconsin Lakes

Wisconsin Lakes & Rivers Convention (online)
April 2, 2020

Goals for the Workshop

- Discuss problems and opportunities for countywide groups arising at the local (county), regional (multi-county), and state level
- Focus on problems of capacity
- Discover key areas where WI Lakes & WI Lake Partnership can best help

Discussion Points

- ▶ What are the problems and opportunities at the local/county level?
- ▶ What are the problems and opportunities at the regional and state level?
- ▶ What role could state level entities like WI Lakes or UW-Extension Lakes Program serve?
