

Becoming an Outdoors-Woman (BOW) is an award-winning outdoor skills program endorsed by the Executive Committee of the Association of Fish and Wildlife Agencies. Weekend-long workshops teach introductory hunting and shooting skills, fishing, and other outdoor activities in a supportive atmosphere. Each year, nearly twenty thousand women in North America are given the opportunity to learn from patient, enthusiastic instructors. The International BOW program is funded solely through grants and donations.

Show support for women's outdoor opportunities and pursuits, and enlarge the outdoors infrastructure for families. Become a personal sponsor of Becoming an Outdoors-Woman.
