# SFE and CWES (Europe/Kenya) Wader Try-On Information

Planning to go to Treehaven? Included in your equipment pack is a pair of chest waders that you will receive upon your check-in at your assigned SFE session. The size you indicate on your SFE application will be the size you receive. You will be **REQUIRED** to come to a time listed below to verify the size you indicated on your application is the size that correctly fits. We will have men's sizes 6-14 as well as women's sizes 6-7 for you to try on. If you need a smaller/larger size, we will do our best to accommodate you. If you are unable to make one of the following times, please let Tim Sattler (715-346-4664; CNR.Stockroom@uwsp.edu) know.

**When trying on the waders for SFE, please try them on as you would be putting them on to go into the water. Do not just try on the boots. Waders are not made size specific for individuals.**

The following try on times will be held in TNR (Trainer Natural Resources) Room 157.

- Friday February 3<sup>rd</sup> 10 AM – Noon
- Tuesday February 7<sup>th</sup> 3-5 PM
- Thursday February 9<sup>th</sup> 2-4 PM
- Friday February 10<sup>th</sup> 12-2 PM

Please watch the CNR Reporter and your email as more dates will be added.

## New Student Group!

Ever hear of a professional organization called the **Great Lakes Timber Professionals Association (GLTPA)**? Might the chance to interact with forest managers, mill managers, and logging professionals be of interest to you and important to your career development? Well those are the exact kind of folks who make up the Association and Dr. Paul Doruska serves on the GLTPA Board of Directors as its Education Representative. He is looking to form a new and exciting GLTPA student group right here in the CNR! Paul will be hosting 'learn about GLTPA student group interest gatherings' at **3pm in TNR 359 on both Tuesday February 7 and Wednesday February 8** to talk more about this promising opportunity with students. Please attend one of these sessions if interested in this great new opportunity. If you are unable to attend but do indeed have an interest in this group – please be sure to reach out to Paul directly at [pdoruska@uwsp.edu](mailto:pdoruska@uwsp.edu).

# What's Happening in the CNR

## SWCS Meeting

The **Soil and Water Conservation Society** will be holding its first meeting of the semester on Tuesday, January 31<sup>st</sup> at 5pm in TNR262. We will have pizza and go over some introductions as well as give a preview of our activities for the semester. See you there!

## CHEM 105 Support

There is special topics course called CHEM 298: Co-Requisite Support. This course 1 credit course is a support course for Chem 105 that will help you build fundamental skills in chemistry, reinforce content from your Chem 105 lecture course, and help you build the study skills you need to be a successful learner in your chemistry courses.

## SLEA Guest Speaker

Student Law Enforcement Association (SLEA) will be kicking off the semester tonight, **1/30**, with guest speaker, Portage County Warden Bryan Lockman. Join SLEA in **TNR 170 tonight at 6pm!** If you are thinking about being a CLE major, this is a great opportunity to hear more and ask your questions!

## Volunteers Needed

**Wisconsin Center for Wildlife** is looking for volunteers to help teach deer jaw aging classes with Jennifer Summers. No experience is needed, training is provided. 12 volunteers are needed, 3 for each class.

**Friday, February 10th** 12PM-1PM & 1:15PM-2:15PM

**Friday, February 17th** 12PM-1PM & 1:15PM -2:15PM

Contact Grace (gfric961@uwsp.edu) for more info!

(Are you looking for more opportunities like this? Check out the Professional Development Board for more!)

## Wildland Firefighter Class

Fire Crew is pleased to offer our Wildland Firefighter Certification Spring Course again at the end of February! This course is offered once over two weekends and is a chance to get your Basic Certifications for doing Prescribed Burns and Wildland Firefighting. It is a very good certification to have for all Natural Resource professionals. The course runs February 24-25 and March 3-5. The course costs \$150. The last day to register for this course is **February 17th**. Registration forms are available on the Fire Crew SPIN Page as well as on the bulletin board outside of the Fire Crew Office (TNR361A).

# Keep Your Eye on the Prize!

These buttons will appear in each issue of the *CNR Reporter*. They are your gateway to helpful information to make your college experience as successful as possible.

## CNR Spotlight Nominations

Is there someone in your classes who you feel deserves to be recognized for all of the hard work that they do? Is there a faculty or staff member that you would love to show your appreciation to? Do you know someone doing some cool research? All of these are reasons to nominate someone to be featured in the CNR Spotlight! We are very proud of our College of Natural Resources community and we want to celebrate our victories together. Make someone's day by nominating them [HERE!](#)

## IKES Meeting

**IKES** Will be hosting its first meeting tonight, 1/30 at 5pm in TNR 170. Stop in to learn about upcoming events and member updates.

## T-shirts for sale in the SSC!

Stop by the Student Success Center to purchase a CNR T-shirt! They were designed by a UWSP Student, Maddy Konze! Huge thanks to Maddy for making our vision come to life!

## SYLLABUS NEED TO KNOW

We hope your first week of classes has been off to a great start so far!

A response you may hear when asking instructors general course questions is, "It's on the syllabus." A syllabus contains all the important information you will need for each course.

- **Schedule and deadlines**
- **Late or missed work**
- **Attendance**
- **Grading**
- **Expectations**
- **Contact information**
- **Office hours**
- **Resources**

Read your syllabi and put due dates in a planner to be successful!
