Mental Health Resources

Campus resources are available Monday-Friday. 8am–4:30pm

Counseling Center—715-346-3553

(Provides individual and group therapy for enrolled students. Appointments are required and students must call to schedule. Don't let a small waitlist dissuade you – the lists are worked through daily and the wait can be shorter than off-campus.)

Disability Resource Center— 715-346-3365

(They can provide accommodations for students with disabilities, including for mental health conditions.)

UW System Services, available 24/7/365

[Hirsch Mental Health](#) - Call or text 888-531-2142

Crisis Resources, available 24/7/365

988 Suicide & Crisis Lifeline - Call or text 988// Visit online [here](#)

The Trevor Lifeline– Call 1-866-488-7386/ Text “START” to 678-678 or chat online [here](#)

Veterans Crisis Line - Call 1-800-273-8255 (press 1) or chat online [here](#)

If you are concerned about a student's immediate safety, reach out to University Police at 715-346-3456 (emergencies, call 911).

Wisconsin Forestry Center is Hiring

In this position, you will assist in writing forestry-related curriculums and activities for high schoolers, gather forest specimen for education kits, operate and maintain a variety of equipment used in forestry (chainsaws, hand tools, skid steer, portable sawmill, harvester simulator), and provide logistical support with the use of MS Word and Excel.

This position is for you if you have practical knowledge and interest in education, forestry, or environmental education. Doing SFE this summer? You are still encouraged to apply!

SAF Tree Planting

Society of American Foresters is looking for help to plant trees April 15th. They are looking to plant 2,000 trees. If you are interested, please email us (society.of.american.foresters@uwsp.edu), stop by our office (TNR 361A), and/or come to our meetings (every Thursday in TNR 170). This is a great resume-building opportunity!

Woodland Sports Survey

Do you want to learn how to estimate tree DBH, use a crosscut saw, or throw an axe? Do you have the urge to unleash your inner lumberjack? **Then please take a minute to take the Woodland Sports interest survey.** SAF would like to get any CNR majors interested in Woodland Sports to potentially join. Dr. Doruska, the Woodland Sports faculty advisor for SAF, is in the process of negotiating with risk management to allow the club to bring back the Woodland Sports Team. This does not guarantee that Woodland Sports will be brought back but the more interest received, the greater our chances of bringing the Team back. If you have any questions regarding the survey or Woodland Sports, please email us (society.of.american.foresters@uwsp.edu) and we will try to answer any questions to the best of our knowledge.

Adventure Club Gear Sale

As winter turns to the spring and summer recreation seasons, come and sell some of the things you didn't use much this year and get some cash to bring with you on spring break. Or, equally as exciting, bring your cash and buy some gear that you'll use during spring or summer breaks.

Gear related to all outdoor activities is welcome including: camping, climbing, biking, skiing, hiking, fishing, hunting, outdoor books and movies, neat gadgets and anything you think someone else might want to buy.

The Gear Sale will be **Tuesday, March 14** in **CCC 128** at **7PM**

Contact ggogi314@uwsp.edu with questions.

Wisconsin Center for Wildlife Seminar Series

Join us each Thursday from February 9 through March 16, 2023 at 4 pm in TNR 170, for a total of six informative talks all about black bears.

March 16:The Wisconsin Black Bear Project: Celebrating 45 Years of Bears in the North Woods with Cady Sartini in **TNR 170 at 4PM**

Hunter Education for Women and Girls

Are you interested in having a deeper connection with nature through harvesting your own food? This hunter education course instills in students the knowledge and skills to be responsible, safe hunters and promotes ethical use of the environment and our resources. There is a \$10 course fee. Enrollment limit is 20. Class meets Monday nights, 5:30-8:00, for 5 weeks beginning April 3 and ending May 1. Anyone born on or after Jan. 1, 1973, must complete a hunter education course to purchase a hunting license in Wisconsin. Hunter education graduates receive certification that is accepted in all states, Canadian provinces, and Mexico. If you are majoring in natural resources, this is important information for you to learn even if you don't think you will ever hunt.

Email pfarrell@uwsp.edu to reserve your spot. There are just 10 spots available.

Family Nature Programs at the Schmeeckle Reserve

Come support UW-Stevens Point student naturalists for free, hands-on programs that explore the outdoors. **All ages are invited!** Programs will meet at the Schmeeckle Reserve Visitor Center. Be prepared to go outside and dress for the weather.

Registration is required to attend these free nature programs. Please register by email (schmeeckle@uwsp.edu), phone (715-346-4992) or in person at the Schmeeckle Reserve Visitor Center so that we can email you a confirmation and more information about the program. Reasonable accommodations for special needs will be made with advance notice.

For a list of programs visit the Friends of Schmeeckle Reserve website at:
