Do you want to learn how to estimate tree DBH, use a crosscut saw, or throw an axe? Do you have the urge to unleash your inner lumberjack? **Then please take a minute to take the Woodland Sports interest survey.** SAF would like to get any CNR majors interested in Woodland Sports to potentially join. Dr. Doruska, the Woodland Sports faculty advisor for SAF, is in the process of negotiating with risk management to allow the club to bring back the Woodland Sports Team. This does not guarantee that Woodland Sports will be brought back but the more interest received, the greater our chances of bringing the Team back.
