## SFE Wader Try Ons

Planning to go to Treehaven? Included in your equipment pack is a pair of chest waders that you will receive upon your check-in at your assigned SFE session. The size you indicate on your SFE application will be the size you receive. You will be **REQUIRED** to come to a time listed below to verify the size you indicated on your application is the size that correctly fits. We will have men's sizes 6-14 as well as women's sizes 6-7 for you to try on. If you need a smaller/larger size, we will do our best to accommodate you. More try on dates will be added, if you are unable to make one of the following times, please let Tim Sattler (715-346-4664; CNR.Stockroom@uwsp.edu) know.

If you choose not to come, you will receive the waders indicated by your shoe size on your SFE application. The waders you try on might not be the exact make/model you receive.

**When trying on the waders for SFE, please try them on as you would be putting them on to go into the water. Do not just try on the boots. Waders are not made size specific for individuals.**
