	County Boundaries		
	Public Land Survey System Section Boundaries		
	Major Highways		

DATA SOURCES

Pre-settlement Vegetation from the Wisconsin Department of Natural Resources derived from a 1:500,000-scale map showing the pre-settlement vegetation cover in Wisconsin. Data digitized from a 1976 map created from land survey notes written in the mid-1800's when Wisconsin was first surveyed.

Map Crafted by Douglas Miskowiak -- Version 4/21/09
