The cost for washer and dryer is \$1.25 each. While there are no coin options on our machines, there are several public laundromats located close to campus that do accept coins.

Vending Machines

Vending machines are located in the basement of each residence hall. They accept money and PointCash. If you have a problem with a machine, or if a selection is empty, please inform the front desk staff.

PointCash Cards

PointCash cards are preloaded debit cards used as currency. They can be used anywhere PointCash is accepted, both on campus and off campus. In addition to residence hall laundry and campus vending machines, a complete listing of businesses which accept PointCash can be found at: <https://pointcard.uwsp.edu>

PointCash cards come with a value of \$5, and can be purchased at the University Information and Ticket Center in the Dreyfus University Center. These PointCash cards are not redeemable for cash, and will expire on August 31st.

UNIVERSITY SERVICES

Emergencies

Should you suffer an illness or injury during your stay on campus, please contact the front desk staff for assistance. You will be treated at St. Michael's Urgent Care or Emergency Center. If the desk is closed, please call the number posted at the desk. In life-threatening emergencies dial 911 from any hall phone. Stay on the line, there is a 7 second delay while you are being connected to emergency personnel. Evacuation procedures due to fire or weather are posted on the back of your room door.

Parking

All vehicles must have a permit for weekday parking in university lots. A daily permit is \$3 and can be obtained from your conference coordinator. Check with the front desk staff to find out where parking is permitted for your group.

PLEASE NOTE: No parking is allowed on city streets between the hours 2 and 6 a.m. Tickets are issued by Stevens Point Police to vehicles parking on the street overnight.

Recycling

A campus/community recycling program is in effect in our residence halls. Aluminum, plastic, glass, and paper chutes are located on each floor and conference attendees are required to participate. Please take any pizza boxes to the laundry room, located in the basement of the hall.

RULES OF THE HOUSE

We recognize most conferences provide their own "guidelines for living" to participants, but we want you to be aware of the general guidelines we follow at UW-Stevens Point.

Co-ed university staff are lodged on one of the floors of each residence hall. We ask you to treat their home as you would your own.

Each room is inspected prior to and after each conference. Guests are responsible for all damages that occur in their rooms. Please contact the front desk staff if you have any questions about the condition of your room.

There is a \$5 charge for any screen that is removed from a window. Because the screen frames warp easily, removal may result in enough damage to warrant replacement. If the screen must be replaced, the charge is an additional \$25.

All exterior residence hall doors (with the exception of the front door) are locked at all times. The front door of the hall will be unlocked when the hall front desk is staffed. Although you can exit via any exterior door, you can only enter the hall through the front door. If you need entry into the building and have no access card, you must be escorted by one of your group's staff members. Residence hall staff members are not allowed to let you into the hall. As part of a new campus security measure, propping open exterior doors will sound an alarm.

Alcoholic beverages may be consumed only in individual rooms by persons of legal drinking age, excluding camp counselors. Alcoholic beverages may not be consumed in any public area of the residence hall.

Conference attendees are not allowed to have pets (other than service dogs) in the residence halls.

All applicable state and federal regulations are in effect on all university property. A copy of these regulations is available at the front desk of each residence hall.

Residence hall computer labs are not available to summer conferences.

Smoking, vaping, and all tobacco products are prohibited on the UWSP campus.
