

Accessing TLC Services

Within each service area, students can access **FREE** tutoring and coaching in a variety of ways. The tutors are UWSP students who have done well in their classes and are trained to share their successful study habits and content knowledge to help you succeed.

Service Area	Description	Location/Mode	Schedule
Academic Coaching: Build skills in studying, time management, test-taking, online learning, and more.	1:1 Appointments: Work directly with peer tutors, Academic Coaching Coordinator, or Online Learning Coordinator.	CCC 234 or virtual Wausau Library Marshfield Library	Navigate tlctutor@uwsp.edu 715-346-3568
	Drop-In: For students who need a bit of support and accountability from peer academic coaches when it comes to homework and studying. This is <i>not</i> tutoring, but rather a place to set and work towards your goals with support. Bring in your laptop, notes, books, and other supplies you will need to prepare. Work with an academic coach to get organized, find a good study method, ask to be quizzed, and have various check-ins to see how you're doing.	CCC 336 Study Hub Wausau Library Marshfield Library	No appointment needed. Link to Schedule
	Applied Academics – PSL 104: Focus on a topics related to college success, academic advancement, or the college transition. Improve skills in textbook comprehension, lecture notetaking, memory, listening, preparation for examinations, time management, systematic methods of study, goal setting, motivation, learning theory, resource utilization, and/or how aspects of identity play a role in the college experience.	8-Week Course 1 – 2 Credits	Enroll in AccesSPoint
	Study Skills – PSL 105: Receive an overview of study skills related to success in post-secondary education. Improve skills in textbook comprehension, lecture notetaking, memory, listening, preparation for examinations, time management, online learning, and systematic methods of study. Learn about university student support services.	16-Week Course 1 credit	Enroll in AccesSPoint
Course Content: Practice problems, deepen understanding, and prepare for exams in natural resources, STEM, World Languages, and more.	1:1 Appointments: Make recurring or one-time appointments with the same tutor to regularly discuss, practice, and review course content.	45-Minute sessions in CCC 234 or virtual Wausau Library Marshfield Library	Navigate tlctutor@uwsp.edu 715-346-3568
	STEM Drop-In: Discuss, practice, and review STEM course content. Come when you can. Stay for as long as you like!	CBB 190 Wausau Library	No appointment. Link to Schedule

		Marshfield Library	
Reading / Writing: Brainstorm and refine papers, essays, lab reports, citations, résumés, scholarship applications, personal writing, and more.	1:1 Appointments: Discuss how course readings relate to the writing assignment. Brainstorm how to begin writing your paper. Bring your preliminary ideas and notes for the assignment to clarify and focus your ideas. Discuss how to do research, how to use the library database or how to determine which sources to use. Bring a rough draft of your paper to review which sections may need more explanation and support. Examine your paper in its later stages for paragraphs, sentences, or word choices about which you have some doubt. Discuss techniques for fine-tuning.	CCC 234 or virtual Wausau Library Marshfield Library	Navigate tlctutor@uwsp.edu 715-346-3568
	English 57s: Independent Writing (ENGL 157, 257, & 357) allows you to follow your interests. In this class, you decide what to write, and a writing consultant gives you one-on-one feedback each week. Use your time to enjoy personal writing projects or sharpen your skills.	Semester Course	Enroll in AccessPoint
	Graduate School Applications, Résumés, and Cover Letters: Receive one-on-one attention with graduate school application materials. Discuss your education, job experience, and qualifications with a consultant. Bring a rough draft of your résumé or cover letter to receive feedback on how to showcase your strengths and make the documents attractive to an employer.	CCC 234	Navigate tlctutor@uwsp.edu 715-346-3568
	Online Writing Lab: Writing Center consultants will use the "review" and "comment" tools in Microsoft Word to offer thoughtful feedback and suggestions for improving your writing. Consultants will focus on higher-order concerns such as the structure, organization, and clarity of your paper. Consultants will not proofread, correct grammar, or edit your paper for you. If there are errors inhibiting the meaning of your paper, consultants are trained to offer resources and examples for you to find and correct your own grammatical errors.	Online	Link to Submit
	Reading in the Disciplines – PSL 109: Meet once a week with a small group of fellow students and a trained Reading in the Disciplines undergraduate peer facilitator to go over class readings and lecture material.	1 credit, pass/fail discussion course	Enroll in AccessPoint Link to schedule
	Tech Essentials: Develop computer literacy and learn to use UWSP-related applications.	1:1 Appointments: With the Tech Essentials coordinator or a peer tutor, learn to use the features in UWSP-related applications such as Canvas, Microsoft 365, Zoom, accesSPoint, Navigate, and OneDrive. Note: Students who are experiencing errors with technology should be referred to the IT Service Desk.	30-minute sessions in CCC 234 or virtual
	Drop-In: Stop into our virtual office.	Virtual	Link to Schedule
Tutoring Consultation	1:1 Appointments: Not sure what tutoring service is right for you? Sit down with our office manager or front desk staff to discuss the options.	30-minute session in CCC 234	Navigate
