

UNITED STATES COAST GUARD

Sept 29, 1943

Dear Audrey & Dick,

Audrey's letter came (her last one) several days ago so I shall try and answer it. here goes!

Last Sat - Sun & Mon I got my 60 hour liberty. So I went into S. Finnes.

On Sunday I went out to the Park side M. Church and it was swell! I went the Shooka and they took me out for dinner - Fried Chicken & mashed Spuds. Home cooked - it was swell. also

Wilfred Woods sang so we talked and made arrangements to meet on Monday.

Sunday night the Coast Guard choir sang at a Baptist church in S. Alaska so I came back in and got the truck and rode out with the fellow - we sang - Prayer Perfect - "Bless the Ford of my soul" and Send Out Thy Light. it was fun singing.

UNITED STATES COAST GUARD

Today I had my interview and I have a good chance of going to Radio School. I sure hope so. It is something to look forward to anyway.

There certainly ain't many fellows here from Wash. I guess that they all join the Navy. (Foods)

Boy - I sure wish that I was in C.S. when you were there. I bet that you really enjoyed it - huh - say and. when will you finish your school?

I sure wish I was going to school this fall - oh well.

It is time to quit for I must roll up cloths for inspection

Love
Jim
