

UNITED STATES COAST GUARD

January 14, 1949

Dear Rich & Barb,

Hi how goes every thing? this is just a note to let you know that every thing is coming along swell.

I got a telegram from Gene last night. I am going to meet him in Washington Saturday evening. It sure will be swell to see him again. I am planning on taking my camera along so I will send you the pictures if they come out alright.

only 4 more weeks of school and our class will graduate. that will be a happy day for me.

I am enclosing the bulletin from church last Sunday. I thought you may be interested in seeing it.

I am writing this note at 7:40 in the morning (Friday) we leave for

UNITED STATES COAST GUARD

school in about 15 min. We have a lot of fun on the subway. There are a lot of people who get on with the grumpiest dispositions, so we make fun of them (in a nice way) until they smile.

I am enclosing a picture I took in my room of my desk showing how I have all the pictures (under a piece of glass. the white piece of paper behind the lamp was put there so I wouldn't get any glare or reflection from the mirror. the box of stationery that Barb sent is on the left.

I must stop now -

Your Bro  
Jim

P.S. write soon.
