

Sweeping aerial view from the ultra-modern Ala Moana Shopping Center, Yacht Harbor, Waikiki area to Hawaii's famous landmark — Diamond Head.

Sato P.M.
Laura, her mother and 3 daughters gave me a surprise welcome (5 lei's) when I arrived last evening - an hour late. Had dinner with Sato's & in evening Julia Chung came over and we visited today - spent touring city, hills & Pearl Harbor via tickets obtained from wallets. A full and wonderful day. Dinner and then to airport to wait for departure to Manila -
Love,
[Signature]
