Dear Darling

PAN AMERICAN

It is good to think that just one week ago I was home - with you and the children - and while the time since then has gone by rapidly, I still feel close to you and so thankful for the time together.

Your good letter - written Monday - arrived today. I imagine that John Schuler will start next Monday - I hope it goes quickly and that you have a minimum of inconvenience and delay. I'll look forward to hearing from you about the developments and progress.

This has been a rather quiet day - spent in the office - but it is good to have days like this and I do not mind.

I did have a good visit today with Bob LeFollet - he is such a fine man and has aided our work so much. I also had a meeting with Pedro Ho (from Lanho) he was in Saigon and stopped at his office in the University of Saigon - Petreote.

Tomorrow Henry & I go to Nhatrang - will be there until Sunday and return sometime then - depending on when the plane flies.

I feel rather restless tonight - a shower and early to bed should put me in shape for tomorrow and our trip.

I love you - very much and want you here with me tonight - as I do each day and night,  
your Jim
