Help - I can't login to Navigate!

- Can you get to the UWSP sign-on webpage? If you get this far but your credentials are rejected by the university's sign-on page, there is an issue with the school account. Contact the IT Help Desk at 715-346-HELP
- If you successfully enter your credentials in the school's SSO web page but Navigate says "Uh-oh" or "Something went wrong" EAB must not have your username in their system. Contact Navigate@uwsp.edu with your full name, username, and email address.
