## **SBE Events**

The School of Business & Economics has an exciting series of speakers, discussions, workshops and field trips called **SBE Events**. It is important to take advantage of these learning opportunities outside the classroom. The events are designed to help you make the most out of your time as a student and to prepare for a successful career.

For this course, you must attend **two** official SBE Events. One event must be before the mid-semester cut-off of **Mar 9th**; a second event must be before the end-of-semester cut-off (May 11th). If you go to extra events before Mar 9th, those credits will carry over into the second half of the semester. Attendance at each event will count for 5 points towards your final grade.

Visit the SBE Events web site (<http://business.uwsp.edu/events>) for announcements of upcoming SBE Events. You can also follow us on social media:

- Facebook: [UWSP School of Business & Economics](#)
- Twitter: [@UWSPBusiness](#)

When you attend an event, it is your responsibility to sign in with your Point Card. Attendance at SBE Events will be confirmed with automatic emails to you and updated on the SBE Events web site. Please allow a week for confirmation of attendance at events held outside the SBE, such as Career Services events.

If you have multiple courses with SBE Events requirements, it is your responsibility to make sure you have attended enough events for each course. If you have not attended enough events to cover all of your courses, your attendance will be allocated to your courses in alpha-numeric order.

After Oct 20 and the end of this semester's events, I will receive reports confirming your attendance. You do not need to do anything else.

## **Grading**
