

Provisional Battle Plan
Bus. 360: Production Management
Spring 2020

Instructor: Dr. C.R. Marshall

Phone: Office 346-4576

E-mail: CMarshal@uwsp.edu I check my email regularly. This is the best way to get in touch.

Office: 432 CPS

Office Hours: Monday 2:00 – 3:30, Tuesday 9:30 – 11:00 & 2:00 – 3:00 and by appointment

Course Description and Objective: This class teaches quantitative management science techniques to solve business problems such as facility layout, process planning, work measurement, inventory control, quality control, and includes techniques such as linear programming and statistical process control. (See description in the UWSP Catalog.) The objective of this course is to study the methods used by operations and production managers to make decisions in a company's pursuit of its strategic goals and objectives. Mathematical and spreadsheet tools will be reviewed and or developed as needed.

Texts: Operations Management 12th ed. by Heizer & Render (2017)

SBE Mission: The UW-Stevens Point School of Business and Economics creates career ready graduates and leaders through applied learning. We serve the businesses, economy, and people of the greater Central Wisconsin region. We specialize in preparing students for success by providing professional development experiences, access to employers, and in-demand skills.

The SBE achieves its mission by valuing:

- Talent development
- Lifelong learning
- Career preparation
- On the job experiences
- Community outreach
- Regional partnerships
- Continuous improvement

Accreditation Commitment: SBE is accredited by the Association to Advance Collegiate Schools of Business (AACSB), a designation earned by only 5 percent of world business schools. Accreditation instills a culture of continuously improving our programs through connections with local business leaders, alumni and the community.

Attendance Policy: You will be responsible for anything that goes on in class.

Work turned in late: Late work may not be accepted. If accepted, late work will lose 25% per calendar day.

Missing Exams: There will be no make-up exams. Students who have missed one of the midterm exams with a medical or university approved excuse, **and** who have notified me in advance will receive a statistically estimated score based on their other three exam scores. For students who have missed more than one of the midterms, a zero will be used as the missing grade in the estimation of each missing exam. If you miss the final exam, you will receive a grade of zero for that exam.

ADA Statement: If you feel you may need an accommodation or special services for this class, please see me or call the service at 346-3365.

Academic Misconduct: Any student caught cheating or assisting another student to cheat or allowing another student to cheat may be removed from the class and given a failing grade. **The minimum penalty for cheating is a reduction in points of 200% of the value of the assignment.** Academic Misconduct is defined as violating provisions of Chapter UWSP 14, Rules of the Board of Regents of the University of Wisconsin System, Wisconsin Administrative Code. ([Links to an external site.](#))

Smiley Professional Events: (Formerly Pointer Professional Events, formerly SBE Events) For this course, you must attend **two** official Smiley Professional Events. One event must be before the mid-semester cut-off; a second event must be before the end-of-semester cut-off. If you go to extra events early in the semester, those credits will carry over into the second half of the semester.

I will receive reports confirming your attendance. You do not need to do anything else. **I will enter the Smiley Professional Event points into Canvas once at the end of the semester.**

Grading: Grading will start with a traditional 90, 80, 70 scale. Grades may be curved from there at the discretion of the professor. If curved, they generally place roughly the top 25% of the students with a A or A- and roughly 75% of students with a A, A-, B+, B or B-. I will use whichever system gives students the higher grade.

This document is tentative and is subject to revision!
