Syllabus

Instructor: **Dhalla, Hardeep Kaur**
Section 1:   **TuTh 2:00PM – 3:50PM SCI B228**
Office: **SCI B237**
Email: **hdhalla@uwsp.edu**
Office Hours   **TuTh 1:00 P.M.-1:50 P.M. in-person or by appointment**

Course Description: (taken from catalogue) Fundamental principles and techniques of Web development, user-centered Web design, and basic project management. Topics include (X) HTML, CSS, JavaScript, HTTP, DOM, and tools for developing Web applications including code, graphics, and basic multimedia.

Course Learning Objectives

- Describe the basics of internet, web, HTML, CSS, and JavaScript.
- Learn about the site development process and basic project management.
- Apply principles of visual design, and accessibility in designing and developing web pages.
- Use design and development tools to create and validate web pages.
- Develop a website using HTML, CSS, and JavaScript.

Required Textbooks - available through Text Rental

Basics of Web design HTml5 and CSS 5 edition "Terry Felke-Morris" by Pearson, ISBN-13: 978-0-13-522548-6, and ISBN-10: 978-0-13-522548-5

Grading

Completing coursework awards a maximum total of 100 points.

- Assignments: 45 points
- Quizzes: 10 points
- Mid-term exam: 15 points
- Final Project: 15 points
- Final exam: 15 points

The final grades will be assigned as a percentage of points earned out of 100 points according to the following scale:

A	100-93%	A-	< 93-90%		
B+	< 90-87%	B	< 87-83%	B-	< 83-80%
C+	< 80-77%	C	< 77-73%	C-	< 73-70%
D+	< 70-64%	D	< 64-60%	F	< 60%

Final exam: 12/20/2023, Wednesday 10:15AM-12:15PM, SCI B228

Assignments and deadlines

- There will be regular assignments, points-based exercises, tests, and exams throughout the course. These items will be discussed in class and possibly on Canvas. For certain items there will be time allocated for work during class and I recommend that you do so during the class period. Some items will be worked on and submitted during a single class period and therefore cannot be made up later. It is imperative that you attend regularly so that you don't miss these opportunities.
- Assignments will be posted on Canvas. It is your responsibility to check Canvas on a regular basis.
- Assignments must be submitted electronically through Canvas, unless otherwise instructed.
- In order to be accepted for grading, assignments must be submitted by the given deadline, or an extension must be requested from the instructor before the due date.
- Assignments that are turned in late will receive a reduction of 20% of the points for each day assignment is late so that no points will be given for assignments more than 5 days late. Missing assignments or empty zip file submissions will receive a grade of 0.
- No late or missing assignments will be accepted during final exam week, unless otherwise specified. No extra credit work will be given during Week 15 and 16. The instructor reserves the right to adjust this policy to account for extraordinary situations, such as documented illness or medical emergencies. You are required to inform the instructor as soon as possible of such situations.
- You are responsible for storing and backing up your assignments. The use of network space, or other storage (Google Drive, Dropbox, external media) are also reasonable. Lost data is not an appropriate excuse for late work and will not be accepted.

Attendance

- Students are strongly encouraged to attend each class, study for at least 2 hrs. outside class and actively participate in class discussions.
- If you need to miss a class, notify the instructor via email before missing the class meeting in question.
- Making up missed class work, such as quizzes and assignments, is allowed only for excused absences.

Exams

- Quizzes and exams will be taken in-person.
- In general, any exam can NOT be made up.
- If you are going to miss a test or exam due to unavoidable circumstances (e.g., health), you must inform the instructor before the due date.
- The final exam is comprehensive.

Canvas

The Canvas URL is https https://www.uwsp.edu/canvas/Pages/default.aspx. Use your UWSP NetID and password to login. We use Canvas for the following activities:

- Make important announcements.
- Sharing lecture slides and source code of examples.
- Posting assignment instructions and files.
- To submit assignments electronically.
- Posting scores and grades.

Academic Dishonesty Policy

- Students may discuss assignments with each other and may seek help from the instructor. However, since assignment scores count as a part of the final grade, students must limit the amount of outside help they receive. Students must not copy any part of another person's work or break an assignment into a team project (unless directed to do so by the instructor). If there is ANY doubt in your mind about the amount of help given/received, you should

2fb4e8b7a1f50489

immediately consult with your instructor BEFORE submitting the assignment.

- Any student who submits an assignment or exam which is in whole or in part the work of another person and any student (whether enrolled in the course or not) who so assists another student will be prosecuted under Chapter UWSP 14 of the Rules of the Board of Regents of the University of Wisconsin System, Wisconsin Administrative Code. Depending upon the severity of the infraction, the consequences of such an act range from a verbal reprimand to an "F" in the course to expulsion from the University.

Course materials and recordings

Lecture materials and recordings for CNMT-210-01 are protected intellectual property at UW-Stevens Point. Students in this course may use the materials and recordings for their personal use related to participation in this class. Students may also take notes solely for their personal use. If a lecture is not already recorded, you are not authorized to record my lectures without my permission unless you are considered by the university to be a qualified student with a disability requiring accommodation. [Regent Policy Document 4-1] Students may not copy or share lecture materials and recordings outside of class, including posting on internet sites or selling to commercial entities. Students are also prohibited from providing or selling their personal notes to anyone else or being paid for taking notes by any person or commercial firm without the instructor's express written permission. Unauthorized use of these copyrighted lecture materials and recordings constitutes copyright infringement and may be addressed under the university's policies, UWS Chapters 14 and 17, governing student academic and non-academic misconduct.

Covid-19 preparedness

Face Coverings:

At all UW-Stevens Point campus locations, the wearing of face coverings is mandatory in all buildings, including classrooms, laboratories, studios, and other instructional spaces. Any student with a condition that impacts their use of a face covering should contact the Disability and Assistive Technology Center to discuss accommodations in classes. Please note that unless everyone is wearing a face covering, in-person classes cannot take place. This is university policy and not up

to the discretion of individual instructors. Failure to adhere to this requirement could result in formal withdrawal from the course.

Other Guidance:

- Please monitor your own health each day using this screening tool. If you are not feeling well or believe you have been exposed to COVID-19, do not come to class; email your instructor and contact Student Health Service (715-346-4646).
    - As with any type of absence, students are expected to communicate their need to be absent and complete the course requirements as outlined in the syllabus.
- Maintain a minimum of 6 feet of physical distance from others whenever possible.
- Do not congregate in groups before or after class; stagger your arrival and departure from the classroom, lab, or meeting room.
- Wash your hands or use appropriate hand sanitizer regularly and avoid touching your face.
- Please maintain these same healthy practices outside the classroom.

The Tutoring-Learning Center

The Tutoring-Learning Center (TLC) helps students in all disciplines become more effective, confident learners. We believe all learners benefit from sharing work with knowledgeable, attentive tutors. The TLC offers four tutoring services:

- **Academic Coaching:** Build skills in studying, time management, test-taking, online learning, and more.
- **Course Content:** Practice problems, deepen understanding, and prepare for exams in natural resources, STEM, World Languages, and more.
- **Reading/Writing:** Brainstorm and refine papers, essays, lab reports, citations, résumés, scholarship applications, personal writing, and more.
- **Tech Essentials:** Develop computer literacy and learn to use UWSP-related applications such as Canvas, Microsoft 365, and Zoom.

To **make an appointment,** students can self-schedule using Navigate, contact us at tlctutor@uwsp.edu or 715-346-3568, or stop into CCC 234.

Dropping/withdrawing from the course

It is the student's responsibility to understand when they need to consider un-enrolling from a course. Refer to the UWSP Academic Calendar for dates and deadlines for registration. After this period, a serious and compelling reason is required to drop from the course. Serious and compelling reasons include, but are not limited to, the following: documented and severe physical/mental illness/injury to the student or student's family. Please consult the instructor at the earliest opportunity to discuss the need to drop the course after the mandated deadline.

Incomplete policy

Under emergency/special circumstances, students may petition for an incomplete grade. An incomplete will only be assigned if inability to complete the coursework was due to a documented illness/injury or other circumstance beyond the student's control. All incomplete course assignments must be completed by the end of Semester II 2023-2024.

Accommodations

UWSP is committed to providing reasonable and appropriate accommodation for students with disabilities and temporary impairments. If you have a disability or acquire a condition during the semester where you need assistance, please contact the Disability Resource Center in room 108 in the Collins Classroom Center (CCC) as soon as possible. DRC can be reached at (715) 346-3365 or drc@uwsp.edu

Emergency Preparedness

- In the event of a medical emergency, call 911 or use the red emergency phone located outside of the Public Science Hall Lab (B238). Offer assistance if trained and willing to do so. Guide emergency responders to victims.

- In the event of a tornado warning, proceed to the lowest level interior room without window exposure at SCIENCE A224.

- In the event of a fire alarm, evacuate the building in a calm manner. Meet near the grassy area near Lot X. Notify instructor or emergency command personnel of any missing individuals.

- Active Shooter – Run/Escape, Hide, Fight. If trapped hide, lock doors, turn off lights, spread out and remain quiet. Follow instructions of emergency responders.

See UW-Stevens Point Emergency Management Plan at www.uwsp.edu/rmgt for details on all emergency responses at UW-Stevens Point.

Communication by email

When you email me, please include "CNMT-210" in the beginning of the subject. It will help me differentiate your email from other emails.

Important: This syllabus, face covering guidelines, course modality, along with course assignments and due dates, are subject to change. It is the student's responsibility to check Canvas for corrections or updates to the syllabus.
