[jjuedes@uwsp.edu](mailto:jjuedes@uwsp.edu)

Friday 10:30 am – 2 pm

**Class Structure:**

1. Lecture on the material for the day
2. Questions on previous homework and quizzes
3. Time to work on the day's homework or quizzes and to ask questions

**What to bring to class?**

1. Class notes
2. Computer
3. Homework notebook
4. Calculator

**Course Grades**

**A = 90 – 100 %**

**B = 80 – 89 %**

**C = 70 – 79 %**

**F = 0 – 69 %**

**Grades based on the following**

1. **20% of grade:** Homework from MyOpenMath on Canvas
  - a. Homework schedule found in canvas under "Start Here"
  - b. 1 point for each question (3 chances for each question, but may earn wrong questions points back by asking questions on them.)
  - c. **Always due on the day of the exam for that chapter.**
2. **20% of grade:** Quizzes on Canvas – Quiz for each section covered per day
  - a. 1 point for each question (May earn points by asking questions on the wrong ones.)
  - b. **Always due on Sunday of that week.**
3. **50% of grade:** Exams (either in person or online) 50 – 100 points each
  - a. **To be taken on the scheduled days.**
4. **10% of grades:** Final exam (either in person or online) 50 – 100 points
  - a. **To be taken on Monday, May 15 from 5 – 7 pm**

**No book necessary since homework is found on MyOpenMath**

**Disability**

If you have a disability, please contact Library to utilize your accommodations needed to succeed in this course. If you need accommodations, please contact Disability Resource Center at [drc@uwsp.edu](mailto:drc@uwsp.edu) or 715-346-4023

**Educational Integrity**

For those online, you are expected to do your work on your own. No other person helping you and certainly not using math programs to help you.
