Exams

There will be two (2) in-class exams (Each are 15%). The exams will draw questions from lecture materials, readings, in-class assignments, and video clips played in class. The midterm exam includes at least 50 multiple-choice questions and some short-answer/essay questions. Final exam will be given on **Wednesday, December 19 at 2:45-4:45PM, CPS 209**. The final exam includes at least 50 multiple-choice questions and some short-answer/essay questions. The short-answer/essay questions may be cumulative. ALL scantron exams are to be used in pencil and zero will be given for those using pens. **NEITHER EARLIER NOR MAKE-UP EXAMS WILL BE OFFERED EXCEPT IN DOCUMENTED CONFLICTS OR EMERGENCIES.** (See “In-Class Assignments” above for more information about what qualifies as proper documentation.)

MAKE-UP WORK

Only proper documentation can be accepted as justification for make-up assignments (without late penalty), such as a doctor/coach/supervisor’s note, a subpoena, etc. A simple self-narration of an emergency or a special occasion whether in oral or written forms, cannot be accepted as proper documentation and thus will not justify a make-up assignment. Late work will start from 50% of the grade.

Use of Technology

Any form of audio or video recording in the classroom is strictly prohibited. If a student has a legitimate need to record the instructor’s lecture in audio or video format, then the student shall obtain the pertinent accommodation authorization **AND** the instructor’s permission beforehand.

Class Participation

Students are encouraged to participate in class. In addition to the in-class assignments, very often students are presented with discussion topics or other opportunities to contribute to the class, which is designed to help students connect what they have learned in the classroom and their lives as members of various communities. I value class discussion and interactive learning, and expect students to be actively involved.

Classroom Etiquette

The classroom is a learning environment and community, and as such, it is expected that students do their best to minimize disruptions that can distract from their learning and that of their peers. Students are expected to come to class on time and not to leave except in the case of emergency situations. *The instructor reserves the right to request a student to leave the classroom or have the security personnel remove the student from the classroom if the student behaves in a way that interferes with the academic or administrative functions of the class.*

Academic Integrity

Academic integrity is central to the mission of this institution. Academic dishonesty in any form will not be tolerated and will receive disciplinary sanctions per the UWSP policies. The UWSP policies regarding student academic standards and disciplinary procedures can be found here: <http://www.uwsp.edu/stuaffairs/Documents/RightsRespons/SRR-2010/rightsChap14.pdf>. If I observe academic misconduct, or if suspicions of academic dishonesty are reported to me, I will request that the identified parties come to my office to discuss the situation, and then the procedures set out in UWS/UWSP Chapter 14 will be followed. Students can visit the UWSP Tutoring-Learning Center <http://www.uwsp.edu/tlc/Pages/writingReadingTutorials.aspx> and the Purdue Online Writing Lab for further resources: <https://owl.english.purdue.edu/owl/resource/589/01/>

Diversity and Inclusion

UWSP supports an inclusive learning environment where diversity and individual differences are understood, respected, and appreciated. These differences include race/ethnicity, gender, class, political view, religion, color, national origin, sexual orientation, disability, age, marital or family status, as well as personality, learning styles, and life experiences. We expect that students, faculty, administrators, and staff will respect differences and demonstrate diligence in understanding how other peoples' perspectives, behaviors, experiences, and worldviews may be different from their own.

Disability Support Services

The Americans with Disabilities Act (ADA) requires educational institutions to provide reasonable accommodations for students with disabilities. For more information about UWSP policies, go <http://www.uwsp.edu/stuaffairs/Documents/RightsRespons/ADA/rightsADAPolicyinfo.pdf>. If you have a disability and require classroom and/or exam accommodations, please register with the Disability and Assistive Technology Center and then contact me at the beginning of the course.
